

City of Adelanto

Department of Public Works/Engineering

Street Name Approval (SNA)

INSTRUCTIONS TO APPLICANT

The applicant must complete the attached form as prescribed, and all of the following information must be attached before it can be accepted for filing and processing by the Department of Public Works/Engineering. The applicant may select names from the current Approved Street Name list, or they may propose names for approval and use. Names submitted for approval are first reviewed and recommended by the Street Name Committee to the City Council and then must be adopted by resolution by the City Council, per Section 13.15.090 of the Adelanto Municipal Code.

- a) Application fee of \$75 for applicant-proposed street names or \$35 for names chosen from the approved list – Checks should be made payable to City of Adelanto.
- b) Application Processing Time. Four (4) business weeks (20 business days) for names selected from the Approved List, Nine (9) business weeks (45 business days) for approval and assignment of names proposed by applicant.
- b) Map – Two (2) copies of a plat map shall be submitted (along with an 8 ½” x 11” reproducible copy), shall be drawn neatly and accurately to scale (not smaller than 1 inch equals 100 feet), and shall show the following data:
 1. The location of the street easement(s) to be named in relation to other named street easements.
 2. The layout of the street easement(s) to be named.
 3. Legal description(s) of the street easement(s) to be named.

Note: a tract map or a parcel map will satisfy these requirements.
- d) A proposed street name for each street easement to be named and three (3) alternatives. Alternatives must be different names not homophones or same names with different suffixes.
- e) Responsibility to Install. Five (5) Business days after notice of Street Name Approval the applicant shall install and provide proof of installation, such as a photograph, of Assigned Street Name upon the approved street easement(s). If named street easement(s) is(are) not accessible/drivable, this requirement may be postponed until such time that the easement is graded and accessible/drivable.
- f) Copy of digital data. A digital AutoCAD file of the final map or plat map must be submitted by the applicant. The map file must include street centerlines.
