PROJECT: \_\_\_\_\_

**DRAFT  
CONDITIONS OF APPROVAL**

1. The project shall conform to all requirements of the City of Adelanto Municipal Code Title 17.
2. Improvement shall be consistent with approved plans. Any deviation from approved plans will require additional approval from the appropriate department
3. The project shall conform to the R1 (Single-Family Residential) Zone regulations. Off-street parking facilities shall be provided as required by specified code.
4. A separate notarized affidavit is required for the development of second units, stating that the primary residence shall be occupied by the property owner.
5. **This approval shall be used within two (2) years of approval date; otherwise it shall become null and void and of no effect whatsoever. By use is meant the beginning of substantial construction contemplated by this approval within the two (2) year period which is thereafter diligently pursued to completion, or the beginning of substantial utilization contemplated by this approval.**
6. Development of the project shall conform to the approved site plan and elevations, including wall, roof, and trim materials. Any deviation shall require the appropriate Planning Division review and approval.
7. The project shall adhere to all fire safety/emergency services requirements as mandated by the City Fire Marshall and any applicable city codes, ordinances, and the Uniform Fire Code, including two points of paved access.
8. The project shall adhere to all applicable building and development codes, including the Uniform Building Code and any applicable city codes and ordinances, and State mandated requirements.
9. The project shall adhere to all requirements of the City Engineer. The City Engineer may require an application for deferral of street improvements and the payment of appropriate fees at the time of building permit issuance. The applicant may also be required to provide an irrevocable offer of dedication for future street improvements abutting the subject property.
10. Improvements on site will consist of the construction of \_\_\_\_\_ square feet of habitable living space.

**APPLICATION FOR MINOR DEVELOPMENT REVIEW**

- 11. Appropriate Development Impact Fees will be required to be paid prior to the issuance of building permits. The fees are including but not limited to Master Plan of Drainage fees, Park fees, School fees, and any other development impact fee in place at the time of building permit issuance.
  
- 12. No structure shall encroach into the required rear, side or front yard setbacks of any and all lots.
  
- 13. No roof mounted equipment shall be permitted.
  
- 14. No expansion of the site or the use shall occur without subsequent reviews and approvals from the Planning Division.
  
- 15. In accordance with both the City's landscaping ordinance and property maintenance ordinance, the applicant shall provide and/or reestablish front yard landscaping at the project site.
  
- 16. **Any outstanding Planning Division processing fees shall be paid prior to the issuance of building permits.**

**Existing Garage Applicable/Nonapplicable:**

A \_\_\_\_\_garage is also located on the site. The applicant shall repaint and provide architectural treatments to the existing garage, with colors and materials that are consistent with the proposed structure.

The base of the manufactured home or mobile home shall be fully skirted by the same material and in the same color as the structure.

For mobile home replacements, the original structure shall be removed from the site prior to finalization of building permits.

The applicant shall provide an impervious paved driveway from the curb cut located at the end of the property continuing \_\_\_\_\_approximately \_\_\_\_\_to the proposed covered carport.

***ENVIRONMENTAL CONSIDERATIONS:***

The proposed project is found to be exempt from the California Environmental Quality Act (Class 3) as a categorical exemption for residential construction.
