REGULAR MEETING
January 13, 2016

J. PUBLIC COMMUNICATIONS

Members of the public wishing to address the City Council Members are required to fill out the yellow speaker card and place it in the **SPEAKER CARD TRAY located on the podium**. The Clerk of the meeting will collect the cards and hand them to the Chair. **REMEMBER ONE CARD PER PERSON you can mark the card to address various items on the agenda.**

This is the time and place for members of the public to comment on any matter within the jurisdiction of the City Council. After receiving recognition from the Chair, the speaker will walk to the podium and state their name for the record. There is a time limit of three (3) minutes when giving your presentation.

Members of the audience may address the City Council on non-agenda items; however, in accordance with Government Code Section 54954.2, the City Council may not take action on an item not appearing on the posted agenda.

K. CONSENT CALENDAR

Items on the Consent Calendar are considered routine in nature and non-controversial, and require no further discussion by the City Council. They may be acted on in one motion unless a member of the City Council or member of the audience requests a separate discussion on an item.

MOTION APPROVING THE CONSENT CALENDAR AS PRESENTED.

1. Motion waiving the full reading of all ordinances and resolutions. Titles for ordinances and resolutions which appear on the public agenda shall be determined to have been read by title and further reading waived.
2. Approval of Animal Care and Control Department Report.
3. Approval of Development Services Department Report.
4. Approval of Building and Safety Department Report.
5. Approval of Public Works Department Report.
6. Approval of Engineering Department Report. (Nov.)
7. Approval of Engineering Department Report. (Dec.)

Q. DECLARATION OF POSTING

I, CINDY M. HERRERA, CITY CLERK OF THE CITY OF ADELANTO, OR MY DESIGNEE, HEREBY CERTIFY THAT A TRUE, ACCURATE COPY OF THE FOREGOING AGENDA WAS POSTED ON JANUARY 7, 2016, SEVENTY TWO (72) HOURS PRIOR TO THE MEETING PER GOVERNMENT CODE 54954.2 IN THE GOVERNMENTAL CENTER'S DISPLAY CASE, 11600 AIR EXPRESSWAY, ADELANTO, CALIFORNIA.

CYNTHIA M. HERRERA, CITY CLERK, MMCB-7

REGULAR MEETING
January 13, 2016

YOUR CITY GOVERNMENT

CHARTER CITY: Ratified by the electors of the City at an election on November 3, 1992. “A Charter City can do what the Charter permits it to do, so long as there is not direct violation of the State Constitution”.

CITY COUNCIL: The City Council of the legislative and policy-making body of the City. The City Council is composed of one elected Mayor and four Council Members, elected at large (to represent the entire City), to serve four year, staggered terms.

CITY MANAGER: The City Manager is the chief executive officer responsible for the administration of City affairs.

CITY COUNCIL MEETING: The regular meeting of your City Council is a vital part of the democratic process in the conduct of the City’s affairs. These meetings are open to the public and conducted by your elected representatives who are responsible, as a body, for the operation of Adelanto’s City Government. The Council appreciates your interest and urges citizen participation in government matters.

LEGISLATIVE TERMS

ORDINANCES: Ordinances are the means by which the City enacts its local laws. Unless an urgent situation exists, ordinances will first be presented at a Council meeting as a “first reading”. At a subsequent Council meeting, there will be a second reading and adoption. Ordinances go into effect after a waiting period of thirty days, in most cases, during which time the summary of the ordinance is published in a local newspaper approved for this purpose.

RESOLUTIONS: Resolutions and minute orders are the means by which the City Council formally adopts policies or approves specific actions. These go into effect when adopted.

SUBJECT: ENGINEERING DEPARTMENT MONTHLY REPORT FOR NOVEMBER 2015

STAFF RECOMMENDATION:

Staff recommends that the City Council accept the Engineering Department's Monthly Report.

BACKGROUND:

Attached is the Monthly Report for the Engineering Department. This report is prepared to provide the City Council with an update of the activities of the City Engineer's Office.

FISCAL IMPACT:

None

ATTACHMENTS:

1. Monthly Report –Engineering Department Report for November 2015.

**CITY OF ADELANTO
MONTHLY REPORT
ENGINEERING DEPARTMENT
NOVEMBER2015**

Client Service:

- Received 65 telephone calls:
 - Engineering Project Coordinator: 65 calls
- Helped 142 Clients at the Engineering Counter:
 - Engineering Project Coordinator: 142 Clients helped
- Received 613 e-mails & voice-mails:
 - Engineering Project Coordinator: 613 e-mails
- City Engineer tracks and responds to e-mails and telephone calls separately

Scheduled Meetings:

- Met with 2 developer(s) regarding potential commercial/ industrial project.
 - City Engineer met separately with representative of various industrial and commercial developments.
- Met with 0 developer(s) regarding potential residential projects.
- Attended 0 Design Review Committee (DRC) Meetings.
 - Prepared 0 set of Conditions of Approval for Entitlement.
- Attended 0 Training and regional planning meeting(s)

Permits Issued:

- Issued 2 Encroachment Permits to various public utilities and residents, including installing residential walls in the public-right-of-way and installing drive approaches.
- Issued 0 Grading Permit(s).
- Issued 0 Land Disturbance Permit(s).
- Issued 0 Pool Grading Permit(s)
- Surveyed for Joshua Trees and issued Native Vegetation Removal Permits for 0 site(s) covering 0 specimens.
- Issued 15 Transportation permit(s).

Applications Received:

- Received and processed 0 Submittals for Engineering Plan Check Review:
- Received and processed 1 Submittal for Sewer and Water Feasibility Studies.
- Received 0 Applications for Certificate of Compliance
- Received 1 Application for street addressing.
- Received 0 Application for Right-of-Way Dedication
- Received 0 Application for Right-of-Way Vacation
- Received 0 Application for Lot Line Adjustment

Engineering Projects:

- Continued Working on Processing and Data Entry of All Project Related Maps and Plans.
- Performed several records request information retrievals
- Performed utility line and plan lookups for City staff and Developers
- Continued process of updating Sewer & Water City Models to work in Info water & Info Sewer
- Performed several exercises to improve GIS system knowledge
- Continued work on new GIS Server application for public works asset location maps and database.
- Performed various property information retrievals for planning and engineering department
- Performed numerous inspections for encroachment permits and other civil improvement projects throughout the city.

Project Status Report

WATER PROJECTS

DESCRIPTION	COMMENTS	STATUS
Upgrade SCADA Systems	SCADA system/software is outdated	Qualification Proposals due in March
Replace Electrical switch gear booster 1200	outdated equipment that has the potential to fail	Scope of work being prepared
Well 6 Rehabilitation	Well pump and motor are at end of life, well offline	Work Complete - well back in service
Backup Generator/s treatment plant & wells	Needed to supply water during power outage	Sizing generator
Well 5A rehab/New VFD/New motor	Vandalized in July 2013 need to bring back online	Currently being repaired
CL2 Generator at Treatment plant	Help maintain proper CL2 res in distribution system	Reviewing proposals
CL2 Generator 0.75 mil tank	Help maintain proper CL2 res in distribution system	Reviewing proposals
CL2 Generator at 3 mil reservoirs	Help maintain proper CL2 res in distribution system	Reviewing Proposals
Reservoir mixer (tank shark)	eliminates stratification and helps maintain water quality and more consistent CL2 Residual (quote is for 3mil, and 5 mil)	Going through the approval process
Booster 1200 B1 Motor (VFD) replacement and pump rehab	Motor is at end of life and no records found on pump maintenance	Need Electrical engineer to design
Booster Pump/motor maintenance program (2 a year)	Preventative maintenance	program has been implemented
Treatment Plant Filter feed pump/motor Service (502). Pump (501) is more than likely needing the same work.	Pump and motor pulled and inspected, motor needs dipped and baked along with new bearings.	501 and 502 work complete

CL2 chemical feed at .75 and 3 mil res.	Help maintain proper CL2 res in distribution system	being coordinated with chlorine generation
Sample stations throughout distribution system	No, longer sample at residence, have dedicated sampling stations would reduce the false positive for BACT samples	Quote for sample stations being reviewed
CL2 analyzer @ all reservoirs	.75 tank, 3 mil and 5 mil tanks	being coordinated with chlorine generation
Replace CL2 pumps at treatment plant	Current pumps air lock, are old and need replaced	pumps purchased - waiting on install
Reservoir maintenance program (inspection/repair)	Preventative maintenance	Vendors contacted waiting on quotations
Well Houses	Wells would be inside of a building	to be determined with available funds
Vibration analysis of all pumps and motors	Balance motors if required.	Completed
Replace CL2 analyzer at treatment plant	Sensor is out of date and replacements are unavailable	analyzer installed and functional
Equipment to Pull new service lines		Equipment purchased

- 1- Used Mattress Collection Services Agreement

California Used Mattress Recycling Program
Used Mattress Collection Services Agreement

Between

Mattress Recycling Council, Inc.

and

The City of Adelanto

**California Used Mattress Recycling Program
Collection Facility and Used Mattress Management Services Agreement**

This Agreement is made on this ____ day of _____, 201__ (“Agreement”) by and between The City of Adelanto located at 11600 Air Expressway Adelanto, CA 92301 (the “Service Provider”) and Mattress Recycling Council, a Delaware corporation having its offices at 501 Wythe Street, Alexandria, VA 22182 (“MRC”).

RECITALS

Whereas, MRC is the “mattress recycling organization” certified by the State of California to plan and implement a mattress recycling program in California (the “Program”), as set forth in California Public Resources Code §§ 42985 – 42994 (2014) (the “Act”), and is organized (among other things) to negotiate and execute agreements to collect and transport used mattresses for recycling;

Whereas, California Public Resources Code § 42987.1(o) requires that MRC develop and submit to the state of California a recycling plan that (among other things) provides for MRC to pay an amount to a municipal or solid waste facility or operation that accepts used mattresses dropped off by California residents at no charge (a facility) that both MRC and the facility determine is reasonable for the facility to accept, store, and handle such mattresses;

Whereas, the Service Provider operates one or more such facility(ies) in California;

Whereas, MRC and the Service Provider, pursuant to § 42987.1(o), wish to enter into this Agreement, which describes the terms and conditions under which the Service Provider will provide the Services described herein to MRC;

Now, therefore, for and in consideration of the terms of this Agreement and the mutual promises and covenants contained herein, the parties hereto agree as follows:

ARTICLE 1 – DEFINITIONS

- 1.1 “Consolidate” means (as applicable) accepting, handling, storing, and packing only acceptable Program Products into Collection Containers provided by, or approved for use by, MRC or its subcontractors in a manner that is efficient, complies with the requirements of MRC or its subcontractors, and is conducive to safe and efficient transport.
- 1.2 “Collection Containers” are containers provided by, or approved for use by, MRC or its contractors to hold and transport Program Products.
- 1.3 “Collection Facility(ies)” means all permanent or temporary collection facilities that are owned, leased, subleased, or otherwise controlled by the Service Provider and designated by the Program to collect Program Products, and as specifically identified in Attachment E (“Collection Facility Information”).

- 1.4 "Effective Date" means the date that the parties' obligations begin under this Agreement. The Effective Date is the first date shown above.
- 1.5 "Force Majeure" is defined in 14.2.
- 1.6 "Guidelines" are listed in Attachment D, and give a more specific overview of how the Program is to be implemented. MRC reserves the right to update, change, modify, amend, add or remove terms, or otherwise alter these Guidelines at any time with or without prior notice.
- 1.7 "Including" (whether or not capitalized) means "including but not limited to."
- 1.8 "Initial Term" is defined in Article 2.1.
- 1.9 "Law" means all existing and future federal, state, and local statutes, laws, codes, ordinances, decrees, rules, regulations, requirements, and orders, of any governmental authority, entity, or agency whether federal, state, municipal, local, or other government body or subdivision, including those relating to unemployment compensation, worker's compensation, disability, taxes, worker and public health and safety, the environment, and the Program.
- 1.10 "Materials and Activities" mean materials, supplies, tools, vehicles, equipment, labor, water, light, power, facilities, construction of any nature, supervision, and all other services, acts, activities, resources, and goods, but not Collection Containers, necessary for or otherwise used by the Service Provider to Collect, Pack, and otherwise comply with and fully perform its obligations under the Agreement.
- 1.11 "Non-Conforming Units" are Program Products that individual residents drop off at no-cost for recycling that are later determined to be contaminated or too damaged to recycle, and they must be disposed of as solid waste. Non-Conforming Units do not include any Units delivered by any entity other than an individual resident (i.e., a business or other entity).
- 1.12 "Non-Program Products" mean products not covered by the Program that are collected and/or managed by the Service Provider. Non-Program Products include: sleeping bags, pillows, an unattached mattress pad or mattress topper (even items with resilient filling intended to be used with or on top of a mattress), a car bed, crib or bassinet mattress, juvenile products or the pads used for such juvenile products, waterbeds, air mattresses that contain no upholstery material (such as a camping mattress), sofa beds and futons.
- 1.13 "Program Products" include "mattresses" (which are defined as a resilient material or combination of materials that is enclosed by a ticking [the outermost layer of fabric or related material of a mattress] and is intended or promoted for sleeping upon), "foundations" (for example, a box spring, which is used to support a mattress and may include constructed wood or other frames, steel springs, or other materials used alone or in combination), and a renovated mattress or renovated foundation.
- 1.14 "Program" means the California Used Mattress Recycling Program created by MRC.

- 1.15 "Services" means all services for which Service Provider is responsible, as described in this Agreement and in the Attachments hereto, including any and all Materials and Activities.
- 1.16 "State" means the State of California.
- 1.17 "Storage and Transportation Services Option" means the Service Provider's option to provide its own storage and transportation of Program Products from their collection location to an MRC-contracted recycler. If this option is selected on Attachment A, Service Provider will be bound to the terms in Attachment F "Storage and Transportation Services" for such Services.
- 1.18 "Temporary Collection Events" mean an event hosted by the Service Provider to Consolidate Program Products at locations within the State that are short in duration and not at permanent collection facilities.
- 1.19 "Transportation Providers" or "Transporter" means a contractor hired by MRC or Service Provider to transport Program Products from the Collection Facilities or Temporary Collection Events. This term will apply to the Service Provider if Service Provider selects the Storage and Transportation Option listed on Attachment A.
- 1.20 "Unit" means a single Program Product dropped off at a facility by a California resident at no charge. For example, an individual mattress and an individual box spring would each be a single Unit.

ARTICLE 2 – TERM OF AGREEMENT

- 2.1 This Agreement will commence upon the Effective Date and will remain in full force and effect for a period of one (1) year (the "Initial Term").
- 2.2 Upon expiration of the Initial Term, this Agreement may be automatically renewed for additional successive one (1) year terms unless either party terminates pursuant to Article 7 of this Agreement. The consideration of each option year will be the same as the consideration during the previous contract period, unless otherwise agreed to in writing by the parties.
- 2.3 Upon Termination of this Agreement, the Service Provider will (a) make all Collection Containers supplied by MRC or a subcontractor available for pick up by a Transportation Provider, (b) undertake the orderly cessation of the Services, and (c) cooperate fully in the orderly transition of the Services to its successor, if any.

ARTICLE 3 – GENERAL OBLIGATIONS OF THE SERVICE PROVIDER

- 3.1 In consideration of MRC's payments, if any, to the Service Provider for Services, and for activities undertaken at MRC's expense, the Service Provider will perform the Services provided for in Attachment A ("Scope of Work") in conformity with the Program and Guidelines, except to the extent the Program and/or Guidelines conflict with the terms of this Agreement or any applicable Law.

- 3.2 The Service Provider will manage all Program Products Collected at the Collection Facilities only in accordance with Attachment A ("Scope of Work"), and will not dispose of Program Products in any other method without the prior written approval of MRC.
- 3.3 The Service Provider will be responsible for:
 - a. making day-to-day and critical decisions regarding the Services, including the management and supervision of all activities comprising the Services;
 - b. complying with all applicable Law; and
 - c. securing and locking the Collection Facilities at all times when the facilities are closed or not attended.
- 3.4 The Service Provider may amend Attachment E ("Collection Facility Information") to add or delete sites, subject to MRC's prior written approval for each such addition/deletion.
- 3.5 The Service Provider is responsible for and will manage, at its sole expense, any and all Non-Program Products it collects at the Collection Facilities or places in Collection Containers. MRC accepts no responsibility for such Non-Program Products, and will not pay Service Provider any consideration in connection with such Non-Program Products.
- 3.6 The Service Provider will not charge a per-unit fee to California residents that drop off Program Products with the Service Provider. This section does not preclude the Service Provider from charging fees for curbside collection or services other than Program Product drop off. Nothing in this Agreement prohibits the Service Provider from charging fees to California residents, businesses, or other entities for dropping off Non-Program Products.
- 3.7 The Service Provider will inspect each Unit before placing it in a Collection Container to confirm whether it is a Program Product. Service Provider will separate and document Non-Conforming Units dropped off by individual residents, will dispose of such Units as solid waste, and then will invoice MRC for such Units at rates listed in Attachment B. Non-Conforming Units obtained from businesses or other entities receive no compensation from MRC.
- 3.8 The Service Provider will provide the Services at its own risk and take every precaution to protect all public and private property during the performance of the Services. If the Service Provider's personnel or equipment cause any damage to the property of MRC or its contractors, the Service Provider, at its sole expense, will promptly replace the damaged property or repair it to the condition existing before the damage.
- 3.9 The Service Provider will thoroughly familiarize itself with the nature and scope of the Services under this Agreement and with matters that may affect the Services, including the Law governing the Services, Guidelines, and this Agreement.
- 3.10 Work under this Agreement will be performed only by competent personnel under the indirect or direct management or supervision of the Service Provider.

- 3.11 The Service Provider will commit adequate resources to participate in the Program and meet its obligations under this Agreement, including providing, at its sole expense, any and all Materials and Activities.
- 3.12 The reporting and notification requirements identified in Attachment A (“Scope of Work”) and elsewhere in this Agreement are an integral part of the Services. The Service Provider will comply with all reasonable requests from MRC for preparation, access, review, and/or adjustment of these deliverables throughout the term of this Agreement.
- 3.13 The Service Provider will inspect the Collection Containers upon arrival and determine whether they are in proper condition for use. MRC or its contractor is responsible for replacing any defective Collection Containers and repairing normal wear-and-tear to the Collection Containers. The Service Provider will immediately notify MRC if at any point during the term of the Agreement a Collection Container(s) is not in proper condition for use and will not use any such defective Collection Containers until they are repaired or replaced by MRC or its contractor. If a Collection Container is functional, but is delivered in a damaged condition, the Service Provider will notify MRC or its contractor in writing of the nature and location of such damage upon the arrival of the Collection Container.

ARTICLE 4 – SERVICE PROVIDER REPRESENTATIONS AND WARRANTIES

- 4.1 The Service Provider represents, covenants, and warrants that:
 - a. it is a municipality in good standing and qualified to carry on business in California, and has all necessary approval, capacity, and authority to enter into this Agreement and fully perform its obligations under this Agreement;
 - b. this Agreement does not in any way conflict with any other agreements of the Service Provider;
 - c. it possesses the business, professional, and technical expertise, as well as training, Materials and Activities, facilities, and equipment necessary and required to perform the Services;
 - d. it will perform the Services in a diligent, safe, and workmanlike manner that conforms with generally accepted industry, professional, and best management practices, and with the care and skill ordinarily exercised, for such Services; and
 - e. it and/or its facilities, equipment, employees, or agents, have been issued, as of the date of this Agreement and throughout the term of the Agreement, all permits, licenses, certificates, or approvals required by applicable statutes, ordinances, orders, rules, regulations, and regulatory or administrative bodies necessary to perform the Services.

ARTICLE 5 – MRC OBLIGATIONS

- 5.1 Upon receiving a request from the Service Provider, MRC will arrange for timely pick-up by a Transportation Provider of Program Products Consolidated by the Service Provider. MRC or an MRC contractor will, at its expense, arrange for the Transportation Provider to transport such Program Products after pick-up to intermediary locations, processors, or other final destinations that are part of the Program.
- 5.2 MRC will make available to the Service Provider consumer brochures and signage.
- 5.3 MRC's Transportation Provider will provide Collection Containers to the Service Provider, or approve use of the Service Provider's containers as Collection Containers, for each of the Collection Facilities. All Collection Containers supplied by MRC or a subcontractor will remain the property of the MRC or subcontractor (as applicable).
- 5.4 MRC has no authority to manage, direct, or supervise employees, representatives, or agents of the Service Provider, including how they perform the work and achieve compliance with applicable Law. MRC does not have responsibility for making day-to-day and critical decisions regarding the Services, including the management or supervision of any activities comprising the Services.
- 5.5 Nothing herein creates an exclusive arrangement between MRC and the Service Provider. Neither MRC nor Service Provider may restrict the other from contracting with other entities under the Program or otherwise.

ARTICLE 6 – COVENANTS OF MRC

- 6.1 MRC covenants, represents, and warrants that:
 - a. it is a non-profit corporation validly existing under the laws of Delaware;
 - b. it has the corporate power, capacity, and authority to enter into and complete this Agreement; and
 - c. the execution and delivery of this Agreement has been validly authorized by all necessary corporate actions by MRC.

ARTICLE 7 – AGREEMENT TERMINATION

- 7.1 The Service Provider acknowledges that, except for any payments for rendering Services as specifically provided for in Attachment A ("Scope of Work") of this Agreement at the Compensation Rates set in Attachment B, it will not receive any other monetary payments under this Agreement.
- 7.2 MRC or the Service Provider may terminate this Agreement at any time without cause upon sixty (60) days' written notice to the other party.

- 7.3 Either party may terminate this Agreement or any Services under this Agreement immediately, upon prior written notice if the other party:
- a) has breached any material provision of this Agreement, and has failed to cure such breach within thirty (30) days of receiving written notification of such breach; or
 - b) has violated applicable Law.
- 7.4 MRC may terminate this Agreement immediately:
- a) if Service Provider fails to maintain the insurance requirements described in this Agreement; or
 - b) upon a finding by MRC in its sole and reasonable opinion that Service Provider has acted fraudulently or dishonestly in providing Storage and Transportation Services (as applicable).
- 7.5 This Agreement is contingent upon MRC's ability to fund the Program through fees collected on Mattress sales in the State. MRC may terminate the Agreement upon thirty (30) days' written notice if such funding is reduced to such an extent that, in MRC's sole and reasonable opinion, it is unable to fulfill its duties under this Agreement.

ARTICLE 8 – TITLE AND RISK OF LOSS

- 8.1 The parties acknowledge that the Program Products are not household hazardous waste.
- 8.2 The Service Provider (and not MRC) has title to and risk of loss and liability for any and all Program Products, Non-Conforming Units and Non-Program Products that the Service Provider receives. Notwithstanding the foregoing, once a Transportation Provider accepts for transportation any Program Products Collected by the Service Provider under this Agreement and Consolidated on a Collection Container, title to and risk of loss as to those Program Products, will transfer to that Transportation Provider. MRC at no time takes title to or assumes liability for any Program Products, Non-Conforming Units or Non-Program Products. However, MRC will require in its contracts with its Transportation Providers that they accept title and risk of loss immediately upon accepting any Program Products for transportation from the Service Provider.
- 8.3 MRC is not responsible for any damage to persons or property resulting from the use, misuse, or failure of any equipment used by the Service Provider, or by any of its employees or contractors, including the Collection Containers, even if such equipment is furnished, rented, or loaned to the Service Provider by MRC.

ARTICLE 9 – CONSIDERATION AND PAYMENT

- 9.1 As consideration under this Agreement, MRC or its contractors will (i) provide the Service Provider with Collection Containers, consumer brochures, and signage; (ii) facilitate the transportation of Program Products by Transportation Providers

as set forth in this Agreement; (iii) pay the Service Provider for Services rendered as set forth in this Agreement; and (iv) perform other services incidental to the management of the Program.

- 9.2 MRC's payment to Service Provider for Services Rendered in the manner set forth in Attachment B ("Compensation Rates") will be made in U.S. currency. Other than such payments, MRC will not provide the Service Provider with any monetary compensation or reimbursement for the Service Provider's Collection of Program Products, furnishing of the Materials and Activities, or its performance of the Services.
- 9.3 The Service Provider will invoice MRC on a monthly basis, either by hardcopy or electronically, as determined by MRC. Invoices furnished by the Service Provider under this Agreement must include the information included in Attachment C ("Model Invoice") and must state:
 - a. the unique, identifying invoice number;
 - b. the specific work categories of Services provided for under the Agreement;
 - c. the specific number of Units consolidated;
 - d. copies of each Transportation Bill of Lading or equivalent shipping documentation that includes the information included in Attachment D's "Model Bill of Lading" validating the number of units consolidated; and
 - e. any additional information as agreed to in writing by the parties that is relevant to the Services being performed by the Service Provider.
- 9.4 Each invoice must include the signature of the Service Provider employee responsible for submitting the invoice and a certification that the invoice accurately reflects the Services performed.
- 9.5 MRC reserves the right to refuse payment of any invoice or portion thereof that is not received in an acceptable form.
- 9.6 All amounts invoiced by the Service Provider to MRC, or paid by MRC to the Service Provider, are subject to audit by MRC, as described below in ARTICLE 10 – AUDIT AND INSPECTION RIGHTS OF MRC.
- 9.7 The Service Provider will submit all invoices to MRC by the method directed by MRC and/or at the address specified below. MRC will send all payments due to the Service Provider to the address specified below.

To: Mattress Recycling Council Inc.
Attn: Accounts Payable
Fax: 703-683-4503
Phone: 1-855-229-1691
E-mail: clyons@sleepproducts.org
Address: 501 Wythe Street Alexandria, VA 22314

MRC will send all payments due to the Service Provider to the address specified below.

To: The City of Adelanto
Attn: _____
Fax: _____
Phone: _____
E-mail: _____
Address: 11600 Air Expressway Adelanto, CA 92301

- 9.8 Provided that the Service Provider has supplied the required information and otherwise performed its obligations under this Agreement, MRC will pay such invoice within forty-five (45) days of the date that MRC receives the invoice. In the event MRC has a good-faith objection to an invoice, MRC will pay the undisputed amount pursuant to the terms of this Agreement and notify in writing the Service Provider of said objections and describe in reasonable detail the basis for the objections. The Dispute Resolution provisions in ARTICLE 17 - DISPUTE RESOLUTION will be used to resolve such disputed portion of an invoice. During any such dispute, the Service Provider will continue with its responsibilities under this Agreement and will not stop providing the Services unless this Agreement is terminated pursuant to Article 7. MRC will make all payments due to the Service Provider over which there is no good-faith dispute.
- 9.9 MRC's payment of all or a part of an invoice neither relieves the Service Provider of any of its obligations under this Agreement nor constitutes a waiver of any claims by MRC.
- 9.10 The Service Provider warrants that, to the best of its knowledge, all documents, including invoices, billings, back-up information for invoices, and reports, submitted by the Service Provider to MRC to support amounts invoiced in connection with the Services truly reflect the facts about the activities and transactions to which they pertain. The Service Provider warrants that MRC, for whatever purpose, may rely upon all such documents and the data therein as being complete and accurate. The Service Provider will promptly notify MRC upon discovery of any instances where the Service Provider becomes aware of any discrepancies in relation to documents under this Article.

ARTICLE 10 – AUDIT AND INSPECTION RIGHTS OF MRC

- 10.1 MRC and its representatives may (a) monitor and verify that the Service Provider has complied with this Agreement, the applicable Law, and Guidelines; and (b) consult with the Service Provider about such compliance; provided, however, that

MRC will not, and affirmatively disclaims any ability to, control, supervise or manage (1) the employees of the Service Provider; (2) the activities undertaken by the Service Provider in the performance of this Agreement; and (3) the means by which the Service Provider meets all requirements, including applicable Law.

- 10.2 MRC may audit and inspect, with full access, the Service Provider's Collection Facilities during the Collection Facilities' hours of operation, as well as any other site at which the Service Provider performs the Services. MRC will provide the Service Provider with at least twenty-four (24) hours' notice before any such audit or inspection.
- 10.3 The Service Provider will maintain and make available to MRC, during regular business hours, accurate books and accounting records relating to its Services under this Agreement. The Service Provider will permit MRC to audit, examine, and make excerpts and transcripts, for any books or records, and to make audits of any invoices, materials, records, and other data related to all other matters covered by this Agreement, unless such documents are confidential in accordance with the California Public Records Act (Govt. Code § 6250 – 6276.48). The Service Provider will maintain such data and records in an accessible location and condition for a period of not less than three (3) years from the date produced under this Agreement or until after final audit has been resolved, whichever is later. The Service Provider will include this requirement in any subcontract for the performance of any of the Services under this Agreement.
- 10.4 In addition to those reports detailed in Attachment A ("Scope of Work"), the Service Provider will maintain the following records:
 - a. For each pick-up of Program Products by a Transportation Provider from a Collection Facility, a copy of the Bill of Lading or equivalent shipping documentation that includes the information included in Attachment D's "Model Bill of Lading", that will be provided by the Transporter;
 - b. Records confirming the number of Units the Service Provider received at each Collection Facility including:
 - i. The number transported to MRC-contracted recyclers,
 - ii. The number of Non-Conforming Units dropped off by individual residents that Service Provider disposes of as solid waste, and
 - iii. The number transported to other entities;
 - c. Records of any inspections required by Law; and
 - d. Records of compliance for any required state and local employee trainings.

ARTICLE 11 – INDEMNIFICATION

- 11.1 The Service Provider, and its successors and assigns (collectively, the "Indemnifying Party"), will, to the fullest extent allowed by law, indemnify, defend, and hold harmless MRC and its sole member (as identified under MRC's Certificate of Incorporation), and their member companies, officers, directors, stockholders, employees, successors, assigns, attorneys, agents, and invitees (collectively, the "Indemnified Parties") from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively, "Claims"), including cost of defense, settlement, arbitration, and reasonable attorney's fees, resulting from injuries to or death of persons, including but not limited to employees of either party hereto, and damage to or destruction of property or loss of use thereof, including but not limited to the property of either party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the Indemnifying Party, or the acts or omissions of anyone else directly or indirectly acting on behalf of the Indemnifying Party, its officers, agents, employees, or contractors, or for which the Indemnifying Party is legally liable under law excepting such injury, death, or damage to the extent caused by the active negligence or willful misconduct of an Indemnified Party.
- 11.2 MRC, and its successors and assigns (collectively, the "MRC Indemnifying Party"), will, to the fullest extent allowed by law, indemnify, defend, and hold harmless the Service Provider and its officers, directors, stockholders, employees, successors, assigns, attorneys, agents, and invitees (collectively, the "MRC Indemnified Parties") from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively, "Claims"), including cost of defense, settlement, arbitration, and reasonable attorney's fees, resulting from injuries to or death of persons, including but not limited to employees of either party hereto, and damage to or destruction of property or loss of use thereof, including but not limited to the property of either party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the MRC Indemnifying Party, or the acts or omissions of anyone else directly or indirectly acting on behalf of the MRC Indemnifying Parties, or for which the MRC Indemnifying Party is legally liable under law excepting only such injury, death, or damage to the extent caused by the active negligence or willful misconduct of an MRC Indemnified Party.
- 11.3 The following provisions apply to Paragraphs 11.1 and 11.2 above:
- a. This indemnity will not be limited by the types and amounts of insurance or self-insurance maintained by the Indemnifying or Indemnified Parties or their contractors;
 - b. Nothing in this indemnity will be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party; and

- c. The provisions of this indemnity will survive the expiration or termination of this Agreement.

11.4 NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR INCIDENTAL DAMAGES, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR ANY OTHER LEGAL THEORY, EVEN IF ADVISED OF SUCH POTENTIAL DAMAGES. NOTHING IN THIS AGREEMENT CONSTITUTES A WAIVER OR LIMITATION OF ANY RIGHTS THAT EITHER PARTY MAY HAVE UNDER THE APPLICABLE LAW.

ARTICLE 12 – INSURANCE

- 12.1 The Service Provider at its own expense must provide environmental and commercial general liability insurance with limits for each of not less than \$1 million for each occurrence, as well as any other insurance, such as, for example and without limitation, worker's compensation and automobile insurance, to the extent and in the amounts required by applicable law.
- 12.2 Service Provider must name MRC and its sole member (as identified under MRC's Certificate of Incorporation), and their officers, agents, and employees are named as additional insureds on its commercial general liability insurance policy. To the extent the Service Provider's commercial general liability insurance includes a blanket provision adding additional insureds where required by contract, this Agreement is deemed to require that MRC and its sole member (as identified under MRC's Certificate of Incorporation), and their officers, agents, and employees are named as additional insureds on the Service Provider's commercial general liability insurance by separate endorsement. Service Provider's general liability insurance must be on a primary and non-contributory basis to any coverage available to MRC.
- 12.3 If Service Provider exercises the Storage and Transportation Services Option, it will also provide business automobile insurance with limits of not less than \$1 million combined single limit. Service Provider will provide a Certificate of Insurance with regard to the business automobile coverage that names MRC and its sole member (as identified under MRC's Certificate of Incorporation), and their officers, agents, and employees are named as additional insureds. No exclusion will be permitted in any event if it conflicts with a coverage expressly required in this Agreement, including but not limited to the indemnity provisions in Article 11 of the Agreement.
- 12.4 Service Provider is required to provide MRC with notification of any cancellation or change in Service Provider's insurance coverage during the period of the Agreement with MRC. Such notification must be made not less than sixty (60) days' prior to the date said cancellation or change becomes effective.
- 12.5 In the event a Certificate of Insurance required by this Article should expire or be cancelled during the term of this Agreement, Service Provider agrees to provide, at least sixty (60) days prior to said expiration or cancellation, a new Certificate of

Insurance evidencing coverage, as provided for herein, for not less than the remainder of the Agreement. In the event Service Provider fails to keep in effect at all times insurance coverage as herein provided, MRC may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

- 12.6 Service Provider will require all third parties that it uses to provide any services under this contract to comply with the same insurance requirements specified above.
- 12.7 Compliance by Service Provider with the foregoing requirements to carry insurance and furnish certificates will not relieve Service Provider from liability assumed under the provisions of this Agreement.
- 12.8 Upon the request of MRC, Service Provider must be able to provide evidence of insurance.

ARTICLE 13 – ASSIGNMENT AND SUBCONTRACTING

- 13.1 The Service Provider may not assign, novate, or otherwise transfer (including transfer by operation of law) this Agreement or the obligations and rights hereunder without the express written consent of MRC, which consent will not be unreasonably withheld. Any change of control by the Service Provider constitutes an assignment that requires prior written consent. A “change of control” includes, among other items, any merger, consolidation, sale of all or substantially all of the assets, or sale of a substantial block of stock. Any attempted assignment, novation, or other transfer made in violation of this Article is void and has no effect.
- 13.2 MRC may not assign, novate, or otherwise transfer (including transfer by operation of law) this Agreement or the obligations and rights hereunder without the express written consent of the Service Provider, which consent will not be unreasonably withheld. Any change of control by MRC constitutes an assignment that requires prior written consent. Any attempted assignment, novation, or other transfer made in violation of this Article is void and has no effect.
- 13.3 The Service Provider may subcontract any part of the Services with MRC’s prior written permission, such permission not to be unreasonably withheld. As part of any subcontract relating to this Agreement, the Service Provider must include the following Articles and Attachments to the extent applicable for the Services being provided by the Subcontractor: ARTICLE 8 – TITLE AND RISK OF LOSS, ARTICLE 10 – AUDIT AND INSPECTION RIGHTS OF MRC, ARTICLE 12 - INSURANCE, ARTICLE 18 – COMPLIANCE WITH LAW, ARTICLE 19 – CONFIDENTIALITY/PUBLICITY, Attachment A (“Scope of Work”), and Attachment D (“Guidelines”). Nothing contained in this Agreement or otherwise creates any contractual relationship between MRC and any subcontractor of the Service Provider. A subcontract does not relieve the Service Provider of its responsibilities and obligations hereunder. The Service Provider is as fully

responsible to MRC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Service Provider.

- 13.4 The Service Provider's obligation to pay its subcontractors is an obligation independent from MRC's obligation to make payments to the Service Provider. As a result, MRC has no obligation to pay or to enforce the payment of any moneys to any subcontractor of the Service Provider.

ARTICLE 14 – FORCE MAJEURE

- 14.1 Any delay or failure of either party to perform its obligations hereunder will be suspended if, and to the extent, it is caused by the occurrence of a Force Majeure. In the event that either party intends to rely upon the occurrence of a Force Majeure to suspend or to terminate its obligations, such party will notify the other party in writing, in accordance with the requirements of Article 15, within 2 business days after becoming aware of the Force Majeure, or as soon as reasonably possible, setting forth the particulars of the circumstances. Written notices will likewise be given after the effect of such occurrence has ceased.
- 14.2 An occurrence of a "Force Majeure" means riots, wars, civil disturbances, insurrections, labor strikes of MRC service providers, contractors or subcontractors, acts of terrorism, epidemics, acts of nature (or any threat of such occurrences) whose effects prevent safe passage of vehicles upon state or federal highways for a continuing period of not less than fourteen (14) days and federal or state government orders, any of which is beyond the reasonable anticipation or control of the applicable party and which prevents performance of this Agreement, but only to the extent that due diligence is being exerted by the applicable party to resume performance at the earliest possible time.

ARTICLE 15 – NOTICES

- 15.1 Except where otherwise expressly authorized, notice will be by, facsimile, first class certified or registered mail, or by commercial delivery service issuing a receipt for delivery. Notices will be addressed as set forth below. Either party may change the address information below by providing written notice to the other party. Notice is effective upon delivery, or if delivery is refused, when delivery is attempted.

ARTICLE 16 – INDEPENDENT CONTRACTOR STATUS

- 16.1 The parties intend that the Service Provider, in performing the Services specified herein, is acting as an independent contractor and that the Service Provider will control the work and the manner in which it is performed. This Agreement is not intended and may not be construed to create the relationship between the parties of agent, servant, employee, partnership, joint venture, or association.
- 16.2 Each party, or its subcontractors, as appropriate, is solely liable and responsible for providing all compensation and benefits due to, or on behalf of, all persons performing work on its behalf in connection with this Agreement. Neither party has any liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the other party.
- 16.3 Each party understands and agrees that all persons performing work pursuant to this Agreement are, for purposes of Workers' Compensation liability, solely employees of that party and not employees of the other party. Each party is solely liable and responsible for furnishing any and all Workers' Compensation benefits to its employees as a result of any injuries arising from or connected with any work performed by or on behalf of that party pursuant to this Agreement.
- 16.4 Third-party Transportation Providers are independent contractors and are not employees, partners, or agents of either party. Neither party is liable for the acts or omissions of third-party Transportation Providers under this Agreement. However, if Service Provider exercises the Storage and Transportation Services Option, Service Provider will be liable for any acts or omissions in providing such services.

ARTICLE 17 - DISPUTE RESOLUTION

- 17.1 In the event of any dispute arising out of or relating to this Agreement, the Parties shall attempt, in good faith, to promptly resolve the dispute mutually between themselves. If the dispute cannot be resolved by mutual agreement, nothing herein shall preclude either Party's right to pursue remedy or relief by civil litigation, pursuant to the laws of the State of California.

- 17.2 The parties will continue to work during the dispute resolution process in a diligent and timely manner in accordance with all applicable provisions of this Agreement.

ARTICLE 18 – COMPLIANCE WITH LAW

- 18.1 Each party will comply with all Law applicable to this Agreement.
- 18.2 The Service Provider will promptly notify MRC in writing upon discovery of any failure, or any allegation of any failure, of the Service Provider or other persons or entities to comply with any applicable Law relevant to the performance of Services or any requirement of this Agreement.
- 18.3 Duties and obligations imposed by this Agreement, and rights and remedies available thereunder, are in addition to (and not a limitation of) duties, obligations, rights, and remedies otherwise imposed or afforded by applicable Law.
- 18.4 MRC will comply with all certification and disclosure requirements prescribed by Section 319, Public Law 101-121 (31 U.S.C. § 1352) and any implemented regulations.
- 18.5 If services under this Agreement are funded with state funds granted to Service Provider, MRC will not utilize any such funds to assist, promote or deter union organization by employees performing work under this Agreement and will comply with the provisions of Government Code Sections 16645 through 16649.
- 18.6 The Service Provider will provide MRC with sixty (60) days' prior written notice before entering into negotiations or engaging in any direct or indirect lobbying activities with any government authority or agency to develop any variance or revision to Cal. Public Resources Code §§ 42985 – 42994.

ARTICLE 19 – CONFIDENTIALITY/PUBLICITY

- 19.1 The Service Provider will not disclose any details in connection with this Agreement to any person or entity without MRC's prior written authorization, except as may be otherwise provided hereunder or required by law. However, in recognizing the Service Provider's need to identify its services and related clients to sustain it, MRC will not inhibit the Service Provider from publishing its role in the Program within the following conditions:
- a. The Service Provider may utilize and develop publicity material regarding the MRC Program only upon the prior written consent of MRC, which consent will not be unreasonably withheld; and
 - b. During the term of the Agreement, the Service Provider will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of MRC without the prior written consent of MRC, which consent will not be unreasonably withheld.

- 19.2 The Collection Facilities may be listed, referenced, or advertised as collection sites by MRC for the Program during the term of this Agreement.

ARTICLE 20 – MISCELLANEOUS PROVISIONS

- 20.1 **No Waiver.** The failure at any time to enforce any provision of this Agreement or failure to exercise any right herein granted does not constitute a waiver of such provision or of such right thereafter to enforce any or all of the provisions of this Agreement.
- 20.2 **Selective Waiver.** Either party may waive any default by the other party under this Agreement by an instrument in writing to that effect and no such waiver will extend to any subsequent or other default by the other party. No failure or delay on the part of either party to exercise any right hereunder operates as a waiver thereof. Either party may elect to selectively and successively enforce its rights hereunder, such rights being cumulative and not alternative.
- 20.3 **Entire Contract/Order of Precedence.** This Agreement and all Attachments and exhibits hereto, and all referenced documents, including the Guidelines, constitute the entire agreement between the parties with respect to the matters herein, and integrates, merges, and supersedes all prior negotiations, representations, or agreements relating thereto, whether written or oral, except to the extent they are expressly incorporated herein. The provisions of this Agreement and the accompanying document are to be construed and interpreted as consistent whenever possible. Any conflicts in this Agreement and the accompanying documents will be resolved in accordance with the following descending order of precedence:
- a. Attachment A (“Scope of Work”);
 - b. Attachment B (“Compensation Rates”);
 - c. Attachment F (“Storage and Transportation Services”), if applicable;
 - d. The terms of this Agreement;
 - e. Attachment D Guidelines;
 - f. Attachment E (“Collection Facility Information”); and
 - g. Attachment C (“Model Invoice”).
- 20.4 **Amendment or Modification.** Unless otherwise provided herein, no amendments, changes, alterations, variations, or modifications to this Agreement will be effective unless in writing and signed by the respective duly authorized officers of the parties hereto.
- 20.5 **Additional Sites.** Service Provider, either currently or in the future, may have additional sites, solid waste facilities, collection facilities or subsidiaries (“Additional Sites”) that it wishes to add to this Agreement. Additional Sites may become a Service Provider under this Agreement by executing its own Compensation Rate form in Attachment B. The Additional Sites will then be governed by the terms of this Agreement and the Attachments hereto (including

its personalized Compensation Rate form in Attachment B). Any changes or modifications made by an Additional Site to Attachment B will not affect other Service Providers that exist under this Agreement, nor will it change or modify any of the other Service Providers' terms, conditions, responsibilities and/or liabilities under this Agreement.

- 20.6 **Governing Law/Venue.** This Agreement is executed and intended to be performed in the State of California, and the laws of that State will govern its interpretation and effect. Any legal proceedings relating to this Agreement will initially be brought before a court of jurisdiction prescribed by law in the State of California, County of San Bernardino or the United States Central District of California.
- 20.7 **Severability.** If any term, covenant, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof will remain in full force and effect and will in no way be affected, impaired, or invalidated thereby.
- 20.8 **Calendar Days.** Any reference to the word "day" or "days" herein will mean calendar day or calendars days, respectively, including weekends and Federal Holidays, unless otherwise expressly provided. If a deadline falls on a weekend or Federal Holiday, the next business day will be the applicable deadline.
- 20.9 **No Third-Party Beneficiary.** This Agreement is intended solely for the benefit of the parties hereto, and no third party has any right or interest in any provision of this Agreement or as a result of any action or inaction by any party in connection therewith.
- 20.10 **Authorization.** Each party represents and warrants that it has full power and authority to enter into this Agreement and to perform its obligations set forth herein. The representative(s) signing this Agreement on behalf of each party represents that he/she has the authority to execute this Agreement on behalf of the applicable party and to bind it to its contractual obligations hereunder.
- 20.11 **Survival of Terms.** All services performed and deliverables provided pursuant to this Agreement are subject to all of the terms, conditions, price discounts and rates set forth herein, notwithstanding the expiration of the initial term of this Agreement or any extension thereof. Further, the terms, conditions and warranties contained in this Agreement that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Agreement will so survive, including but not limited to: ARTICLE 4 – SERVICE PROVIDER REPRESENTATIONS AND WARRANTIES; ARTICLE 8 – TITLE AND RISK OF LOSS; ARTICLE 10 – AUDIT AND INSPECTION RIGHTS OF MRC; ARTICLE 11 – INDEMNIFICATION; ARTICLE 12 – INSURANCE; ARTICLE 16 – INDEPENDENT CONTRACTOR STATUS; ARTICLE 17 - DISPUTE RESOLUTION; ARTICLE 18 – COMPLIANCE WITH LAW; ARTICLE 19 – CONFIDENTIALITY/PUBLICITY; and ARTICLE 20 - MISCELLANEOUS.

IN WITNESS WHEREOF, the parties have each caused this Agreement to be executed by its duly authorized representative on the day and year set forth above.

ATTACHMENT A: SCOPE OF WORK

As part of the Services under this Agreement, the Service Provider will do the following:

- 1) Provide the Services necessary to consolidate acceptable Program Products dropped off by individual California residents free of charge into Collection Containers for pick up by Transportation Providers.
- 2) Include no Non-Program Products, no Non-Conforming Units and no Units that are unsuitable for recycling in the Collection Containers provided by MRC or its subcontractors.
- 3) If exercising the Storage and Transportation Services Option, Service Provider will provide the services described in Attachment F.
 Please mark here if Service Provider elects to exercise this option.
- 4) If not exercising the Storage and Transportation Services Option for some or all of the Scope of Work, notify Transporter *before* collection containers are full to allow adequate time for Transporter to schedule pick-up services.
- 5) Provide to MRC a minimum of ninety (90) days' advance notice of any Temporary Collection Events conducted by the Service Provider that include the Collection of Program Products dropped off by individual California residents free of charge to be picked up by Transportation Providers at the Temporary Collection Event.
- 6) Provide reports to MRC on a monthly basis, within thirty (30) days after the end of each month, containing the date and location of any such Temporary Collection Events held by or on behalf of the Service Provider.

ATTACHMENT B: COMPENSATION RATES

Service Provider: _____

Service	Description	Unit Price
<u>Program Product Consolidation</u>	MRC will compensate the Service Provider for all Units of Program Products dropped off by California residents free of charge that Service Provider Consolidates in a Collection Container picked up by a Transportation Provider. The Service Provider will not place either Non-Program Products, Non-Conforming Units or Units that are unsuitable for recycling in such Collection Containers.	\$0.88 per Unit
<u>Solid Waste Disposal of Non-Conforming Units</u>	MRC will compensate Service Provider for disposal of Non-Conforming Units dropped off by individual California residents free of charge. Excludes Units dropped off by businesses or other entities.	\$1.13 per Unit
<u>Storage and Transportation Services Option</u>	Service Provider may provide its own storage container and Transportation Services to transport above Units to an MRC-contracted recycler. Such Services will be governed by Attachment F ("Storage and Transportation Services")	Storage Container: \$0 per Month per Storage Container Transport: \$0 per Trip

By initialing this form, the parties agree to the Compensation Rates above:

MRC initials: _____ Service Provider initials: _____

Additional Sites: Pursuant to Section 20.5 of the agreement entitled "California Used Mattress Recycling Program Collection Facility and Used Mattress Management Services Agreement" entered into between the Mattress Recycling Council, Inc. and _____, executed on _____, 201__ (the "Agreement"), this Attachment B form may be used to add Additional Sites to the Agreement. By signing below, the Additional Site hereby agrees that the Agreement's terms will govern its relationship with MRC, and it accepts all the same terms, conditions, responsibilities and liabilities attributed to a Service Provider as set forth in the Agreement.

IN WITNESS WHEREOF, the parties have each caused this Agreement to be executed by its duly authorized representative on the day and year set forth above.

About the Mattress Recycling Council

In 2013, California enacted Senate Bill 254, later amended by Senate Bill 1274, which requires mattress manufacturers to create a recycling program for mattresses discarded in the state. The Mattress Recycling Council (MRC) is the non-profit organization established by the mattress industry to develop and operate the California mattress recycling program. The Program will start on December 30, 2015.

MRC has contracted with service providers to transport and recycle mattresses and box-springs from collection sites throughout the state. For simplicity, we will refer to both mattresses and box-springs as just mattresses. These Guidelines describe the Program and what your facility needs to do to participate. MRC reserves the right to update, change, modify, amend, add or remove terms, or otherwise alter these Guidelines at any time with or without prior notice.

What MRC Provides

Staff at all participating collection sites must be knowledgeable regarding these Guidelines before accepting mattresses.

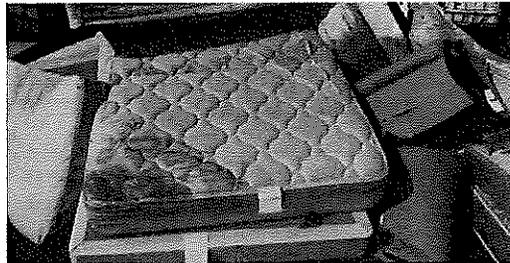

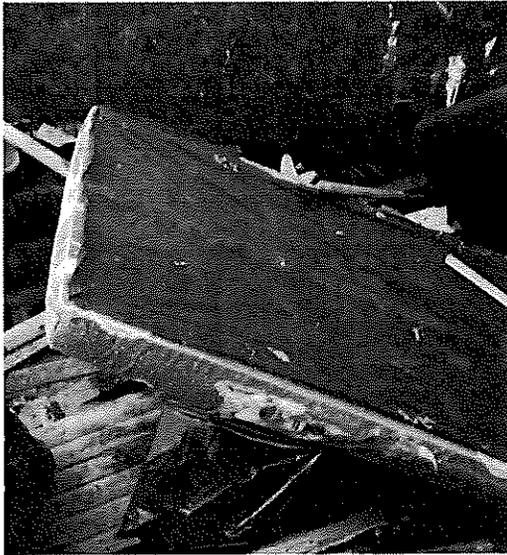

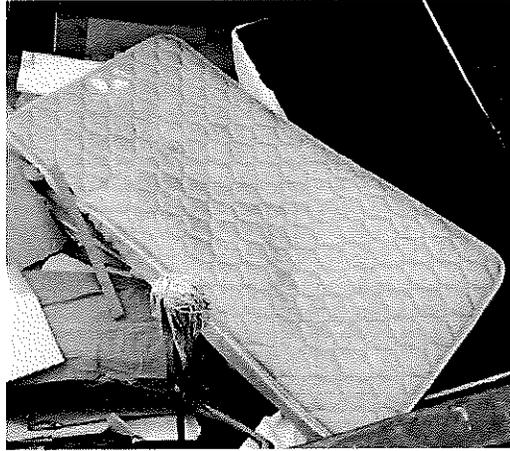

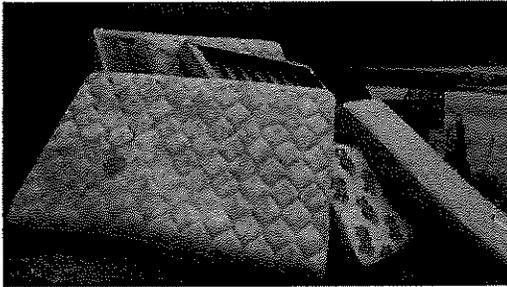

MRC provides the following to participating solid waste facilities:

- A collection container to store mattresses that is appropriate for the number of mattresses that the collection site expects to generate and the site's available space
- Transportation from the solid waste facility to a contracted recycler
- No-cost mattress recycling services

PROGRAM MATERIALS

ACCEPTABLE

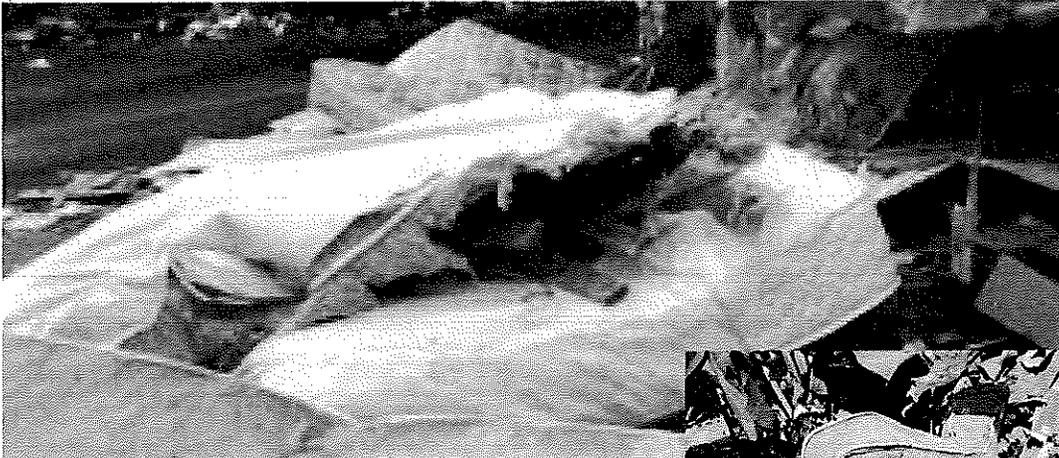

Only mattresses used and discarded in California can be accepted by the Program. The pictures below exemplify mattresses that are acceptable by the program.

A participating collection site may not charge for mattresses that are dropped off by individuals at its site and recycled through the Program.

UNACCEPTABLE

- Out-of-state mattresses
- Severely damaged, twisted, wet, frozen or soiled mattresses
- Mattresses infested with bed bugs or other living organisms
- Sleeping bags
- Pillows and cushions
- Loose bedding, blankets or sheets
- Car beds
- Juvenile products, i.e., a carriage, basket, dressing table, stroller, playpen, infant carrier, lounge pad, or crib bumper
- Water beds
- Camping air mattresses
- Fold-out sofa beds
- Futons and furniture
- Loose mattress pads and toppers

Mattress Inspection and Examination

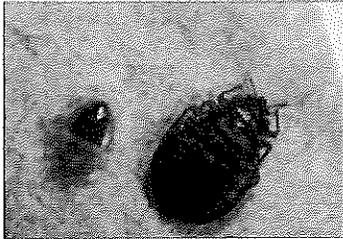

Facility staff should screen incoming mattresses to determine whether they are suitable for recycling and should remove mattresses that are:

- Excessively wet or frozen
- Severely twisted, punctured or crushed
- Infested with bed bugs or other living organisms
- Exceptionally soiled or moldy

Mattresses not suitable for recycling should be disposed of through your existing solid waste stream.

Bed Bug Identification

Mattresses and box springs infested with bed bugs are unacceptable for recycling and should be disposed of through your existing solid waste stream. Staff at collection sites should evaluate program materials for evidence of bed bug infestation.

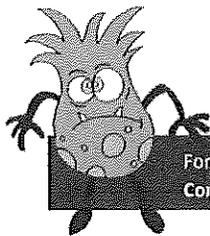

Bed bugs are tan to brown in color, but may appear redder if they have fed.

Adult Bed Bugs are dorsally flat insects, broadly oval, and the size of an apple or melon seed (1/4").

Nymphs look like adults in shape but are smaller.

Eggs are white and barrel shaped.

Signs of bed bug activity may be more obvious than the insects themselves. Look for clusters of dark spots or smudges on mattresses (fecal spots), especially along seams. Eggs, shed skins, and all life stages of bed bugs may also be present in these 'soiled' areas.

For more information on bed bugs, please refer to the resources made possible by the Connecticut Coalition Against Bed Bugs at www.ct.gov/caes/CCABB

MATERIALS COLLECTION & HANDLING

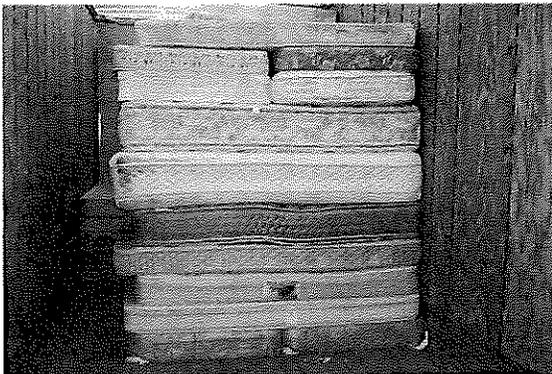

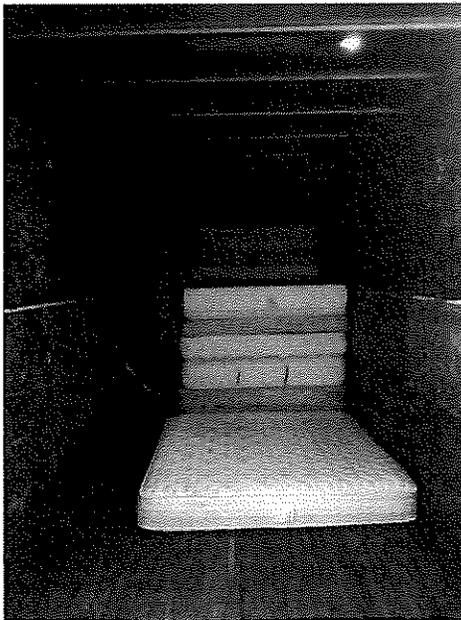

Each collection site will have unique operational considerations. Participating facilities must make their own decisions about how to best manage their operations in the safest manner possible in accordance with applicable laws. At a minimum, each participating site must meet these requirements:

MINIMUM PROGRAM REQUIREMENTS	
SITE	Each collection site must be secure with adequate space and staffing to handle and store acceptable mattresses.
PERMITS	Each collection site must have knowledge of, and comply with all applicable federal, state and local laws. These may include, but are not limited to, zoning requirements, state permit requirements, and OSHA or other workplace requirements. Please contact your Local Enforcement Agency (LEA) to confirm whether your site is in compliance with all applicable notifications or requirements for accepting mattresses for recycling at your site. In many cases, this will be your County or local Public Health Department.
INSURANCE	Each collection site must maintain general liability insurance of at least \$1,000,000 per occurrence.
TRAINING	Staff at each collection site must be trained and knowledgeable regarding these Guidelines before accepting mattresses for recycling.
STORING & LOADING MATTRESSES <i>See page 6 for photos and guidelines</i>	<p>Collection sites must keep mattress dry by storing in weather proof containers, or under cover, to maximize their recyclability. In addition, all collection sites must:</p> <ul style="list-style-type: none"> • Make every effort to place mattresses in MRC-designated storage containers immediately upon acceptance • Keep mattresses intact and not intentionally crush or puncture them • Efficiently stack mattresses to maximize the number of units loaded in each storage container • Provide oversight to keep unacceptable items out of MRC-designated storage containers • Remove any non-program materials from MRC-designated storage containers before transport to MRC recyclers • Practice good housekeeping standards, and keep storage containers and program materials in a neat and orderly condition
SITE ACCESS	Collection sites must allow MRC access to confirm compliance with these Guidelines.

Loading Mattresses in Storage Containers

Container Type	Number of Mattresses
20-foot sea container	25-40
30-yard roll-off container	25-35
40-yard roll-off container	25-40
48-foot trailer	110-180
53-foot trailer	125-190

Expected number of mattresses that should fit in various container sizes

Mattresses and box springs must be packed as efficiently as possible to maximize the number of units in each container.

TRANSPORTATION AND RECYCLING

Transporters

MRC will assign each collection site a transporter to provide a storage container and transport services.

- MRC contracted transporters will provide participating locations with evidence of automobile insurance coverage of at least \$1,000,000 per occurrence
- Each collection site must notify transporter at least 2 business days before a storage container is full of mattresses
- The assigned transporter will pick up full containers and drop off an empty container at the same time
- On the scheduled pick up day, the collection site must make the collection container readily accessible to the transporter
- At the time of pick-up, collection site staff must be present to sign a three-part Bill of Lading (BOL) supplied by the transporter that details the quantity of mattresses in the container, and must provide appropriate copies of the BOL to the transporter

A collection site may choose to provide its own storage containers and transportation at its own cost. These locations must contact the recycler directly to arrange for a convenient drop-off time.

Recyclers

Recyclers under contract with MRC will meet established recycling standards and accurately account for all mattresses it receives, the mattress components it recycles (e.g., foam, steel, wood, fiber, etc.), and any residual disposal. Solid waste facilities will be assigned a recycler by MRC to best service your facility.

PROGRAM WITHDRAWAL & TERMINATION

A collection site's participation in the California mattress recycling program is voluntary. Either party may withdraw from participation with 30 days' notice to the other party. MRC reserves the right to remove any collection site not in compliance with these Guidelines from further participation in the Program.

RECORDKEEPING

Bill of Lading:

A Bill of Lading (BOL) will be provided by the transporter. Before a full container leaves the site, the BOL must be completed and signed by facility staff. Following is a sample BOL and required information:

ATTACHMENT F: STORAGE AND TRANSPORTATION SERVICES

1. COMPENSATION

1.1. Rates.

1.1.1. The Rates for Storage and Transportation Services are set forth in Attachment B "Compensation" of this Agreement, and are incorporated by reference herein.

1.2. Payments to Service Provider.

1.2.1. In order to receive payment from MRC for Storage and Transportation Services, Service Provider, at its own expense, must provide MRC with a properly completed Bill of Lading as shown in Attachment D's Guidelines, and an invoice as shown in Attachment C properly accounting for the Storage Containers and the Transportation Services.

2. SCOPE OF STORAGE AND TRANSPORTATION SERVICES

Service Provider's responsibilities for providing Storage and Transportation Services are as follows:

2.1. General Requirements.

2.1.1. All Program Products placed in Collection Containers will become the responsibility of Service Provider until they are delivered to an MRC-contracted recycler, at which point responsibility and property will transfer to the recycler. At no time, however, will Service Provider own such Program Products.

2.1.2. Service Provider will provide, at its expense, a Bill of Lading to the recycler in a format that conforms to the Model Bill of Lading included in the Guidelines in this Agreement, Attachment D.

2.1.3. Service Provider will take every precaution to protect all public and private property during the performance of its responsibilities under this Agreement.

2.1.4. Any damage to property caused by Service Provider's personnel or equipment (including that of its subcontractors) will be promptly repaired to the condition existing before the damage or be replaced. All costs for such repairs or replacements will be solely the responsibility of Service Provider.

2.1.5. To the extent possible, Service Provider, in carrying out its work, must employ such methods or means that will not interrupt or interfere with the recycler's work.

2.2. Providing Storage Containers.

2.2.1. Service Provider will have thirty (30) days from the date of this contract to provide storage container(s) to its designated collection location(s).

2.2.2. Service Provider will be responsible for keeping all Storage Containers and other equipment that Service Provider or its subcontractors provide in the performance of this Agreement in good working order and in a clean, sanitary and attractive condition, and as free from offensive odors as possible. Equipment is subject to periodic inspection by MRC.

2.2.3. All Storage Containers and other equipment provided by Service Provider or its subcontractors will be marked and properly identified in a method mutually acceptable to MRC and Service Provider.

2.2.4. Service Provider will post appropriate notices on Storage Containers provided by Service Provider or its subcontractors stating that such containers are only for temporary storage of mattresses and/or Program Products dropped off free of charge by California consumers, and that Program Products obtained from other entities, Non-Program Products and Units that are not suitable for recycling may not be placed in such Storage Containers.

2.3. Transportation of Program Products.

2.3.1. Service Provider will pick-up and transport collected Program Products from its solid waste facility(ies) to recycler's premises.

2.3.2. Service Provider is responsible for scheduling deliveries with the recycler. MRC will not be liable for any fees related to unscheduled, late or canceled deliveries made to the recycler.

SUBJECT: 1ST ANNUAL WOUNDED WARRIOR RODEO 2015 REPORT

STAFF RECOMMENDATION:

That City Council review the Adelanto Community Benefit Corporation's, 1st Annual Wounded Warrior Rodeo 2015 Income Statement; give direction to staff as to the disbursement of excess revenues over expenditures for the benefit of the Wounded Warrior charitable contributions and/or benefits to the Adelanto Community in general, if any.

BACKGROUND:

It was Proposed and approved that the City Host a National Police Rodeo at a regular council meeting of August 26, 2015.

FISCAL IMPACT:

1. Adelanto Community Benefit Corporation excess revenues over expenditures to be reduced by the amounts allocated to the Wounded Warrior charitable foundation and/or direct benefits to the Adelanto Community in general by the amount directed by City Council.

ATTACHMENTS:

1. Income Statement for Adelanto Community Benefit Corporation; 1st Annual Wounded Warrior Rodeo 2015

- Methodology used: "responses." Responses indicate number of times units went "in route" to an incident. (This is vs. using "incidents," the actual number of calls.)
- Hazardous Other: any call that can't be typed specifically as hazardous material. Could be smell of gas, etc.
- Other Incident: miscellaneous category for calls not in list.
- **Training in November:** The County Fire Department's Urban Search & Rescue Team (USAR) in conjunction with the Department's Air Operations Program conducted a drill that included a multitude of swift water rescue scenario's. Each scenario deployed resources both on the ground and in the air (via an Air Rescue Helicopter) that are designed to maintain the skills necessary for field personnel to perform rescues in rapidly moving water. This drill served to provide preparation for El Nino rain events forecasted to occur during the upcoming winter and early spring months.

SUBJECT: APPROVAL OF UPDATE TO SEWER AND WATER FEASIBILITY STUDY FOR
PROJECT: TTM 17152

STAFF RECOMMENDATION:

Approve the Update to the Sewer and Water Feasibility Study for the project: TTM 17152

BACKGROUND:

In order to identify the environmental impacts of new development upon the existing sewer and water systems and to recommend mitigation measures for those impacts and conditions for development, all new development is required to participate in a Sewer and Water Feasibility Study. The study is prepared by the City Engineer and is approved by the Adelanto Public Utility Authority.

FISCAL IMPACT:

None

1. City of Adelanto Water and Sewer Feasibility Study for TTM 17152

December 9, 2015

Yogesh Goradia
32063 Pacifica Drive
Rancho Palos Verdes, CA 90275

RE: City of Adelanto, Update of Water and Sewer Feasibility Study for TTM 17152

Mr. Goradia:

The City of Adelanto Engineering Department has completed a review and analysis of the Water and Sewer Feasibility Study, for the TTM 17152.

A. Project Description

The proposed project is a Tentative tract map for assessor parcel number 0459-092-04, a 20.4 acre lot containing 98 units. Location of the proposed project is shown in Figure 1 (Water) and Figure 2 (Sewer). The proposed project area is bound by Raccoon Road to the West, Crippen Avenue generally to the North, Bartlet Ave generally to the South, and Stevens Street generally to the East. The preliminary plumbing fixture unit (PFU) count as provided by the developer’s engineer is presented below:

	Water	Sewer
Total PFU	98 Single Family Dwelling Units @ 20 PFU Each 98 EDU or 1,960 PFU	98 Single Family Dwelling Units @ 20 PFU Each 98 EDU or 1,960 PFU

The proposed project is located outside of the City of Adelanto service Boundary and is un-assessed for the costs of any of the existing water or sewer facilities with the City. Therefore, the proposed project needs to apply for annexation into the City of Adelanto service area (subject to the approval by the City) and pay the necessary fees.

B. Water Requirement and Water System Analysis

Each equivalent dwelling unit (EDU) is assumed to be equivalent to 20 plumbing fixture units (PFUs) per the Uniform Plumbing Code. Based on the estimated 1,960 PFUs, the Water requirement was considered for 98 EDUs. This is lower than the typical 2 EDUs per Acre that was utilized in the near saturation model utilized in the 2010 Urban Water Management plan, therefore the PFUs will be used to determine the impact to the system. Since no landscaping and irrigation plans were available, the estimated number of EDUs does not include irrigation allowance for this proposed project. The owner or developer will be required to submit the architectural and landscaping plans in the future for verification of the required connection fees. The average day water demand is estimated as follows:

Water Demand: Demand per EDU for City of Adelanto was approximately 700 Gallons per day (GPD) in reference to the FY 2004 focus water and sewer facility review for AD#1A. Due to the concerns for water supply shortage, as has been experienced during several past summers, City Public Utilities and engineering department staff are working with all developers to substantially reduce this water requirement to between 400 GPD to 500 GPD per EDU (Consistent with the Master Plan approved by the City Council in January 2008) by adhering strictly to the City’s landscaping ordinance, including the elimination of front and back yard lawns. This conservation effort will extend both to new and existing developments to avoid a building stoppage by the State Health Department. The daily water requirements are estimated as shown below and the max-day demand takes into consideration that water usage actually occurs over an 8 to 10 hour period each day.

Average Day Demand (ADD) = 98 EDUs x 500 GPD/EDU
 = 49,000 GPD (34.03 GPM)

Maximum Day Demand (MDD) = 2.5 x 49,000 ADD
 = 122,500 GPD (85.07 GPM)

Fire Flow Requirements: The current fire flow requirements per County of San Bernardino Fire Department are shown below.

For the Proposed development the fire flow requirements are 2,750 GPM for 2 Hours for V-B Unprotected Wood Frame development. With Fire Sprinkler systems a 75% reduction in GPM is allowed not to exceed 1,500 GPM for the rated duration. As such the water distribution system was analyzed to handle the maximum day demand of the proposed development plus fire flow at 2,835.07 GPM.

Water Supply and Storage Requirements: Required supply/storage for the proposed development is shown below. City of Adelanto staff will continue to monitor its supply and storage capability to ensure adequate service to its customers.

Domestic Water Supply Requirement (Max-Day) = 85.07 GPM

Operational Storage- (0.3 X MDD) = 36,750 Gallons

Emergency Storage-(1.0X MDD) = 122,500 Gallons

Sub Total (without Fire) = 159,250 Gallons*

* Permission of this Project to construct to City’s water system is conditioned upon meeting the water use reduction goal and construction of all required off-site improvements.

Fire Storage (2,750 GPM X 2 Hours) = 330,000 Gallons.
 (From existing storage at upper pressure zone)

Water Storage Capacity: The Current water storage capacity of the City is shown below.

Reservoir	Date Constructed	Type of Storage	Capacity
East 3 MG	1983	Gravity	3 MG

11600 Air Expressway, Adelanto CA 92301 Phone (760) 246-2300 ext. 3063

West 3 MG	1988	Gravity	3 MG
East 5 MG	1992	Gravity	5 MG
West 5 MG	1991	Gravity	5 MG
.75 MG Res	1958	Gravity/ Booster Fore bay	0.75 MG
South 5 MG	2008	Gravity	5 MG
			21.75 MG

The City's storage needs for Emergency Demand + Operational Storage + Fire Flows is as follows:

Land Use	Quantity	Acres	EDU Rate (Per Acre)	Total EDU	Emergency Storage (MG)	Operation Storage (MG)	Total Storage (MG)
SFR	7,445.00	N/A	N/A	7,445.00	9.306	1.117	10.42
MFR (Medium)	246.00	192.23	6	1,153.38	1.442	0.173	1.61
MHP	7	40.30	12	483.60	0.605	0.073	0.68
MI	141.00	1,154.94	2	2,309.88	2.887	0.346	3.23
C	75.00	131.75	2	263.50	0.329	0.040	0.37
Correctional	4.00	86.99	10	869.92	1.087	0.130	1.22
Public Facility	16.00	266.08	2	532.16	0.665	0.080	0.75
Parks	4.00	28.62	1	28.62	0.036	0.004	0.04
Fire Flow							0.60
Total Current Existing Storage Demand							18.92

Other Potential Projects	0.89
Current Projects Storage Requirement	0.16
Total Projected Storage Demand	19.97

Onsite Improvement: The project developer will be entirely responsible for all costs of internal facilities. All on-site facilities (plumbing, piping, ECT) must also meet the requirements of the City of Adelanto, Building and Safety Department.

Off-Site Improvement: Figure 1 shows that there is an existing 10" water main in Chamberlain Way (Generally on the North Side of the proposed project) and an 12" water distribution pipeline along Raccoon Ave (on the West side of the proposed project) for Tract 17152 to make connection. The developer is responsible for installing a 12" water main in Raccoon Road from the Southern Boundary of the project to tie into the existing 12" line at Kemper Ave. Based on computer simulations; the existing water system is capable of delivering the domestic water service and the required fire flow while maintaining the minimum residual pressure of 20 PSI. Under the maximum day demands plus fire flow up to 2,500 GPM with a minimal PSI residual pressure of 20 PSI can be met, based on the preliminary hydraulic model. The model suggests that a fireflow of 2,000 GPM is achievable with a residual pressure of 46 PSI. Due to potential variances in the model, an approved fire flow test will need to be performed at the location prior to the development of the site to verify compliance with the San Bernardino County Fire Department requirements.

C. Waste Water Flow and Sewer System Analysis

Each equivalent dwelling unit (EDU) is assumed to be equivalent to 20 plumbing fixture units (PFUs) per the Uniform Plumbing Code. Based on the estimated 1,960 PFUs, the sewer analysis was considered for 98 EDUs. The average wastewater flow per EDU in the City of Adelanto is 196 GPD/ EDU. In this case, the proposed development will have a projected wastewater flow calculated as follows:

$$\text{Projected Average Daily Wastewater Flow} = 98 \text{ EDUs} \times 196 \text{ GPD/EDU} = 19,208 \text{ GPD.}$$

Figure 2-A shows the existing collector sewer system. Figure 2-B shows the existing trunk sewer system that is currently experiencing capacity problems. The City will proceed with engineering design and construction bidding to provide a relief capacity to those segments of sewer, based on funding availability. Based on the projected wastewater flows, the existing City of Adelanto sewerage system (trunk sewer, lift station, and wastewater treatment plant), will have adequate capacity to serve the project.

Per the Master Plan adopted January 2008 and all construction activity since the master plan was adopted, the property owner will be required to connect to a existing 15 inch sewer main in Raccoon Road along the Wester Boundry of the Project, As referred in Figure 2-A, the developer’s engineers should maintain the invert elevation along the proposed sewer system.

The developer will be required to submit final improvement plans to the City for coordinating the connection to the existing sewer system. Design of the on-site collector sewer system and connection point shall be coordinated with the City Engineer and the City of Adelanto Building and Safety Department.

D. Required Improvement Costs and Connection Fees

Pursuant to the updated connection fees adopted on April 23, 2008 by the City Council, all the new connections will pay the new connection fees as presented below.

Water Facility Connection Fees:

Water Connection Fee: The basic connection fee (\$5,595 per EDU) is for new wells, storage reservoir, and transmission grid improvements. Based on the 98 EDUs referenced in this report, the total basic connection fee is estimated as follows:

$$\begin{aligned} \text{Water connection Fee} &= \$5,595/ \text{EDU} \times 98 \text{ EDUs} \\ &= \$548,310 \end{aligned}$$

Supplemental Water Connection Fee: The initial (subject to annual increases) fee to secure alternative water resources to meet future development needs is as follows:

$$\begin{aligned} \text{Supplemental Water connection Fee} &= \$2,420/ \text{EDU} \times 98 \text{ EDUs} \\ &= \$237,160 \end{aligned}$$

Reclaimed Water Component Fee: This fee is set at \$250 per Edu

Reclaimed Water Fee = \$250/ EDU x 98 EDUs
=\$24,500

Water Meter Fee:The cost for installation of water meters shall be coordinated with the City’s Utility Department. Actual cost will depend on the size of the meter. The current estimated cost for water meter should be verified with the City’s Utility Department. This cost is subject to immediate inflationary increases.

Sewerage Facilities Connection Fee:

Based on the 98 equivalent dwelling units (EDUs) and current City of Adelanto connection fee (for trunk sewer, Lift Station and treatment/effluent disposal/ sludge handling), the sewer connection fees are estimated as follows:

Sewer Connection Fee: The proposed project is required to pay the City of Adelanto (APUA) sewer connection fee (Currently at \$1,543.72 / EDU) and treatment plant and effluent disposal fee (Currently at \$1,511.24 / EDU). Based on the 43 EDUs referenced in this report, the total sewer connection fee is estimated as follows:

Sewer Connection Fee = \$1,543.72 / EDU X 98 EDU
=\$151,284.56
Sewer Connection Fee = \$1,511.24 / EDU X 98 EDU
=\$148,101.52

E. SUMMARY

City of Adelanto will permit the proposed project to connect to its existing Water and Sewer system subject to payment of the facility “Connection fees”, completion of the off-site pipeline extension, compliance with drought tolerance landscaping ordinance, working with City staff to reduce potable water usage, and compliance with the following requirements:

Water:

- (1) On-site piping/ plumbing =Developer to construct
- (2) Off-site piping/ plumbing =Developer to construct
- (3) City of Adelanto water connection fee =\$548,310*
(98 EDU X \$5,595 / EDU, subject to new increased fees)
- (4) Supplemental water connection fee =\$237,160*
(98 EDU X \$2,420 / EDU, subject to new increased fees)
- (5) Reclaimed Water component fee =\$24,500
(98 EDU X \$250 / EDU, subject to new increased fees)
- (Total APUA Water connection Fees) =\$809,970

11600 Air Expressway, Adelanto CA 92301 Phone (760) 246-2300 ext. 3063

The monthly water user fee is based on the size of the meter installed (Fixed service charge) and actual water usage.

Sewer:

- | | | |
|-----|---|-------------------------|
| (1) | On-site piping/ plumbing | =Developer to construct |
| (2) | Off-site piping/ plumbing | =Developer to construct |
| (3) | City of Adelanto Sewer connection fee
(98 EDU X \$1,543.72 / EDU, subject to new increased fees) | =\$151,284.56* |
| (4) | APUA connection fee
(98 EDU X \$1,511.24 / EDU, subject to new increased fees) | =\$148,101.52* |
| | (Total APUA Sewer connection Fees) | =\$299,386.08 |

* All the above connection fees are subject to annual inflation adjustments and subsequent increases as reviewed with BIA (Building Industry Association) and approved by the City Council.

Information provided in this letter report is valid for a period of two years from the date of the Final Report. Should an extension be required, the City Engineer's Office Can Provide an Updated Report upon written request by the developer within 60 days of expiration. Water Meter installation and sewer connection permit and other related plan check and inspection fees will also be determined and collected at the time of permit application/approval.

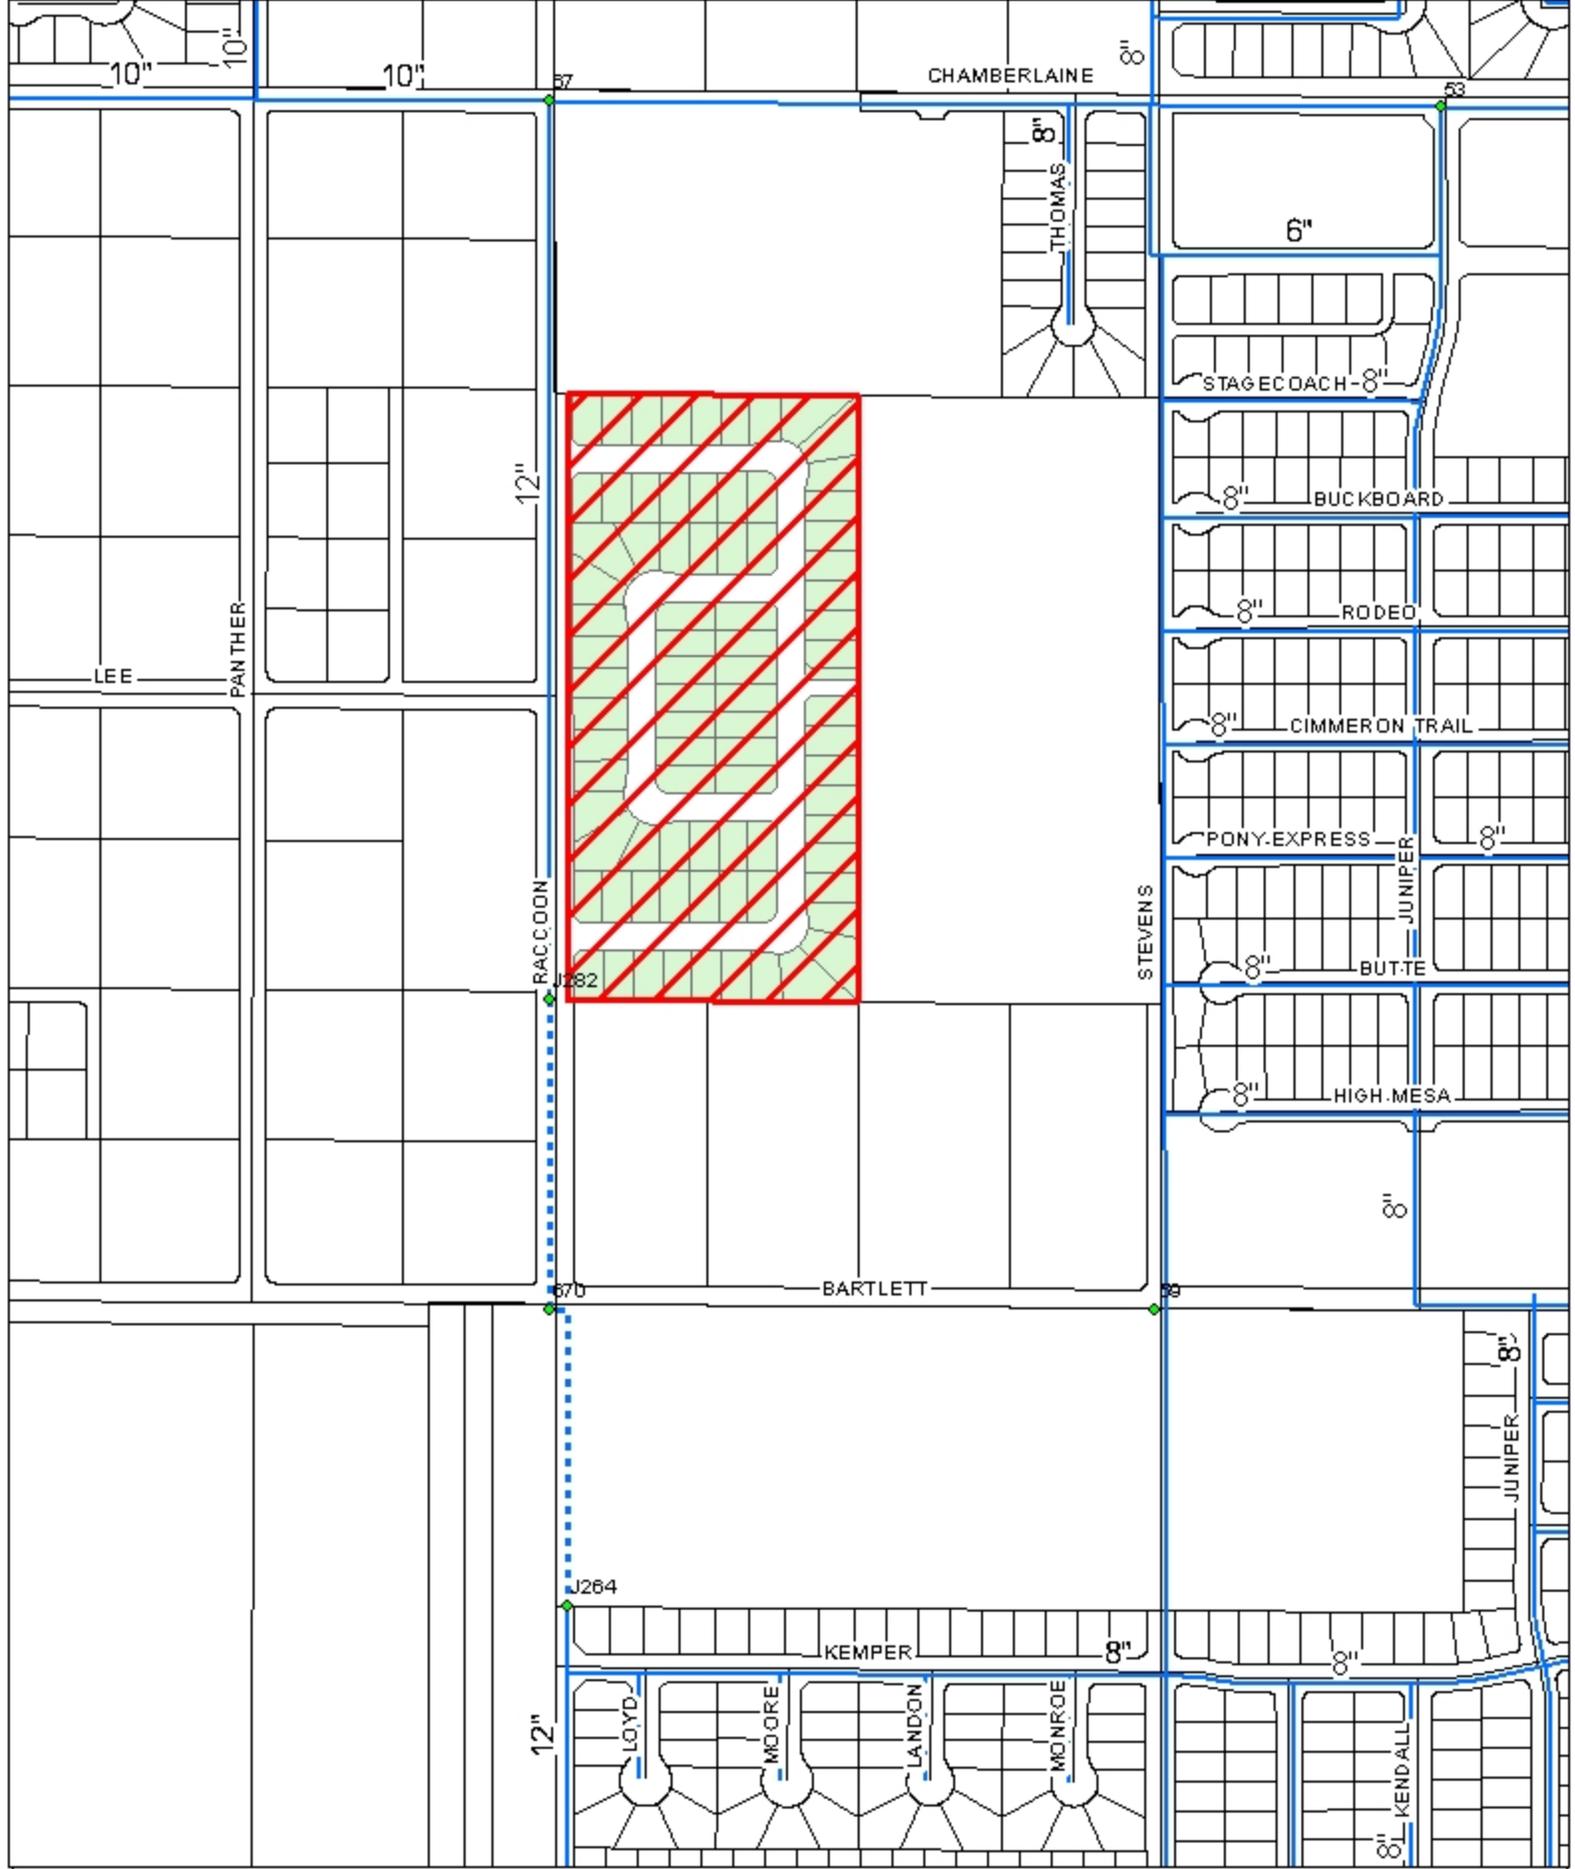

We trust that the information provided in this report will be helpful to the Developer.

Respectfully,

Nathan Coapstick,
City of Adelanto
Public Works Project Coordinator

Department of Public Works Engineering

DATE: January 13, 2015

TO: Honorable Mayor and City Council Members

FROM: Cynthia M. Herrera, MMC, Interim, City Manager/ City Clerk

BY: Thomas W. Thornton, P.E. , Public Works Director/City Engineer
Via Nathan Coapstick, Public Works Project Coordinator

SUBJECT: RECORDATION OF PARCEL MAP 19250

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the recordation of Parcel Map 19250.

BACKGROUND:

This is an approval for Parcel Map 19250 to record. The City Engineer has found the Final Map to be in substantial compliance with the tentative map and the conditions of approval.

FISCAL IMPACT:

NONE

ATTACHMENTS:

1. Parcel Map 19250
2. Area Map of Tract 19250

PARCEL MAP NO. 19250

BEING A DIVISION OF THE SOUTH 1/2 OF THE NORTH 1/2 OF THE SOUTHWEST 1/4 OF THE SOUTHWEST 1/4 OF THE SOUTHWEST 1/4 OF SECTION 1, TOWNSHIP 5 NORTH, RANGE 6 WEST S.B.M IN THE CITY OF ADELANTO, COUNTY OF SAN BERNARDINO, STATE OF CALIFORNIA.

OWNERS STATEMENT

WE HEREBY STATE THAT WE ARE ALL AND THE ONLY PARTIES HAVING ANY RECORD TITLE INTEREST IN THE LAND SUBDIVIDED AS SHOWN ON THE ANNEXED MAP AND WE CONSENT TO THE PREPARATION AND RECORDATION OF THIS PARCEL MAP. WE HEREBY IRREVOCABLY OFFER TO DEDICATE TO THE ADELANTO AIRPORT PROPERTY OWNERS ASSOCIATION (AAPOA) AND TO ANY OF THE SEVERAL PUBLIC UTILITY COMPANIES WHICH ARE AUTHORIZED TO SERVE IN SAID PARCEL MAP, AN EASEMENT FOR ROADS, DRAINAGE, AND PUBLIC UTILITY PURPOSES IN, UNDER, THROUGH AND ACROSS CLOVER ROAD, SWALLOW ROAD AND THE PRIVATE STREET EASEMENT ON THE NORTH 30' OF PARCEL 2 AS SHOWN ON THE ANNEXED MAP. WE ALSO OFFER TO DEDICATE TO THE CITY OF ADELANTO A NOISE AND AVIGATION EASEMENT FOR THE RIGHT OF PASSAGE IN THE AIRSPACE ABOVE THE SURFACE OF PARCEL MAP 19250 TOGETHER WITH THE RIGHT OF AIRCRAFT TO CAUSE IN SAID AIRSPACE SUCH NOISE, VIBRATION, SMOKE AND OTHER AFFECTS AS MIGHT BE INHERIT TO THE OPERATION OF SUCH AIRCRAFT.

CITY COUNCIL AGENDA REPORT

ADELANTO GOVERNMENTAL CENTER | 11600 AIR EXPRESSWAY | ADELANTO, CALIFORNIA 92301

DATE: January 13, 2015

TO: Honorable Mayor and City Council Members

FROM: Cynthia M. Herrera, MMC, Interim, City Manager/ City Clerk

BY: Thomas W. Thornton, P.E. , Public Works Director/City Engineer 
Via Nathan Coapstick, Public Works Project Coordinator

SUBJECT: APPROVING TRAFFIC STUDY TS-15-01 AS PREPARED BY THE PUBLIC WORKS DEPARTMENT, AND APPROVING TRAFFIC AND ENGINEERING STUDY TES-15-01, AS PREPARED AND RECOMMENDED BY THE CITY ENGINEER, AND DETERMINING AND DECLARING THAT CERTAIN SPEED LIMITS ARE THE MOST APPROPRIATE TO FACILITATE THE ORDERLY MOVEMENT OF TRAFFIC AND ARE REASONABLE AND SAFE, AND DIRECTING THE CITY ENGINEER TO ERECT SIGNS POSTING CERTAIN SPEED LIMITS UPON ASTER ROAD FROM PALMDALE ROAD TO MOJAVE DRIVE

STAFF RECOMMENDATION:

Approve and Adopt Resolution 16-01, approving Traffic Survey TS 15-01 as prepared by the Public Works Department, and approving Traffic and Engineering Study TES 15-01, as prepared and recommended by the City Engineer, and determining and declaring that certain speed limits are the most appropriate to facilitate the orderly movement of traffic and are reasonable and safe, and directing the city engineer to erect signs posting certain speed limits upon Aster Road from Palmdale Road to Mojave Drive.

BACKGROUND:

The City of Adelanto Public Works Department performed a Traffic Survey, TS 15-01, on Aster Road in response to concerns over vehicular traffic patterns that were observed in the area. The results of that Survey were then reviewed by the City Engineer to determine if the posted speed limit was posted in compliance with the Adelanto Municipal Code and warranted according to the policies California vehicle Codes CVC and the California Uniform Manual of traffic control Devices CAMUTCD. The Current speed limit for Aster Road is the State Prima Facie 55 MPH excluding the posted section that is 25 MPH for the section that is within 500 Feet of the posted School Zone. The City Engineer is recommending a reduction in the general speed limit for Aster Road to 45 MPH, due to limitation on the existing infrastructure and the school zone.

FISCAL IMPACT:

There will be no impact on the General Fund. The new signage and markings will be funded through the Local Measure I Transportation funds.

ATTACHMENTS:

1. Resolution 16-01
2. Traffic Engineering Study TES 15-01
3. Traffic Survey TS 15-01

RESOLUTION NO. 16-01

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ADELANTO, COUNTY OF SAN BERNARDINO, CALIFORNIA, APPROVING TRAFFIC STUDY TS-15-01 AS PREPARED BY THE PUBLIC WORKS DEPARTMENT, AND APPROVING TRAFFIC AND ENGINEERING STUDY TES-15-01, AS PREPARED AND RECOMMENDED BY THE CITY ENGINEER, AND DETERMINING AND DECLARING THAT CERTAIN SPEED LIMITS ARE THE MOST APPROPRIATE TO FACILITATE THE ORDERLY MOVEMENT OF TRAFFIC AND ARE REASONABLE AND SAFE, AND DIRECTING THE CITY ENGINEER TO ERECT SIGNS POSTING CERTAIN SPEED LIMITS UPON ASTER ROAD FROM PALMDALE ROAD TO MOJAVE DRIVE

WHERE AS, Section 10.24.010, Section 10.24.020, and Section 10.24.030 authorizes the City Council to determine, upon the basis of an engineering and traffic study, and declare prima facie speed limits that differ from those prescribed by the Vehicle Code, and to direct the City Engineer to erect signs and markings, and

WHERE AS, Section 10.24.010, Section 10.24.020, and Section 10.24.030 authorizes the City Council to direct the City Engineer to erect signs and markings posting declared prima facie speed limits, and

WHERE AS, the Public Works Department performed Traffic Survey TS-15-01, on Aster Road 20 Feet South of Victor Street, and

WHERE AS, the Engineering and Public Works Staff, reviewed the prepared traffic studies and performed a Traffic and Engineering Study, TES-15-01, and

WHERE AS, based upon the traffic and engineering study, the City Engineer recommends posting certain speed limits upon Aster Road From Palmdale to Mojave Drive,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ADELANTO DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Speed Limit.

In accordance with the AMC section 10.24010, 10.24.020 and 10.24.030, the City Council authorizes the installation the recommend speed limit signs per the recommendations of the City Engineer through Traffic and Engineering Study TES 15-01 based on the results of Traffic Survey TS 15-01, and hereby declares the following prima facie speed limits to be listed in Section 10.24.040 of the Adelanto Municipal Code, and Directs the City Engineer to erect signs and markings as needed to post the declared prima facie speed limits along the following locations:

1. 45 MPH Along Aster Road Between Palmdale Road and Mojave Drive

PASSED, APPROVED AND ADOPTED this 13th day of January, 2016.

Richard Kerr, Mayor

Cindy M. Herrera, City Clerk, MMC

I, Cindy M. Herrera, City Clerk of the City of Adelanto, California, do hereby certify that the foregoing Resolution No. 16-01 was duly and regularly adopted at a regular meeting of the City Council of the City of Adelanto on this 13th day of January, 2016 be the following vote to wit:

AYES:

NOES:

81 - 87	1 0.0%	2082 100.0%	0 0.0%

POSTED SPEED = 35 mph

85% SPEED = 52.6 mph

RECOMMENDED SPEED = 45 mph

COMMENTS: Roadway has only 1/2 width improvements from Barksdale to Mojave Drive and is lacking portions of the ultimate infrastructure including sidewalks from Barksdale to Victor. From Barksdale South to Palmdale the road is within proximity to a school zone. These factors therefore warrant a reduction on the speed limit to below the 85% speed.

CITY COUNCIL AGENDA REPORT

ADELANTO GOVERNMENTAL CENTER | 11600 AIR EXPRESSWAY
| ADELANTO, CALIFORNIA 92301

DATE: January 13, 2016

TO: Honorable Mayor and City Council Members

FROM: Cynthia M. Herrera, MMC, Interim, City Manager/ City Clerk

BY: Julia Sylva, Interim City Attorney

SUBJECT: A RESOLUTION OF THE CITY COUNCIL, CITY OF ADELANTO, FINDING THAT THERE IS NO PUBLIC PURPOSE IN THE PUBLIC FACILITY USE AGREEMENT BETWEEN THE CITY OF ADELANTO AND MAIN STREET CALIFORNIA, LLC DBA HIGH DESERT MAVERICKS, DATED AUGUST 22, 2012

STAFF RECOMMENDATION:

Office of the City Attorney recommends adoption of the Resolution.

BACKGROUND:

On December 9, 2015, in Closed Session, the City Council unanimously made a finding that the Public Facility Use Agreement did not meet a public purpose. With this Resolution, the City Council seeks to effectuate the finding of no public purpose.

FISCAL IMPACT:

1. None

ATTACHMENTS:

1. Proposed Resolution

RESOLUTION NO. 16-02

A RESOLUTION OF THE CITY COUNCIL, CITY OF ADELANTO, FINDING THAT THERE IS NO PUBLIC PURPOSE IN THE PUBLIC FACILITY USE AGREEMENT BETWEEN THE CITY OF ADELANTO AND MAIN STREET CALIFORNIA, LLC DBA HIGH DESERT MAVERICKS, DATED AUGUST 22, 2012

WHEREAS, California Constitution, Article XVI, section 6, provides, in pertinent part, that the Legislature shall ***not*** have “*power to make any gift or authorize the making of any gift, of any public money or thing of value to any individual, municipal or other corporation whatever...*” (Emphasis added).

WHEREAS, the Office of the Attorney General, State of California (the “AG”), has rendered Opinion No. 06-507 (November 22, 2006), and opined that Article XVI, section 6, of the California Constitution prohibits the making of “gifts” of “any public money or thing of value to any individual, municipal or other corporation whatever” This gift prohibition applies to local governmental agencies as well as to the Legislature. (See *Community Memorial Hospital v. County of Ventura* (1996) 50 Cal.App.4th 199, 207; *Paramount Unified School Dist. v. Teachers Assn. of Paramount* (1994) 26 Cal.App.4th 1371, 1388; *Goodall v. Brite* (1936) 11 Cal.App.2d 540, 544-545; 83 Ops.Cal.Atty.Gen. 45, 47 (2000).)

WHEREAS, in 75 Ops.Cal.Atty.Gen. 20 (1992), the AG noted that “[w]hether a particular proposed expenditure sufficiently serves an authorized public purpose is primarily a legislative determination that will not be disturbed by the courts so long as it has a reasonable basis.” (See also Opinion No. 05-309, rendered on December 6, 2005.)

WHEREAS, on or about September 11, 1990, the City Council adopted Resolution No. 90-278, wherein is approved the acquisition and construction of the Sports Stadium and Public Meeting Facility (the "Facility");

WHEREAS, on or about August 22, 2012, pursuant to recommendation by staff and the City Attorney, Todd Litfin, the City Council approved and executed the Public Facility Use Agreement (the "Agreement") between the City of Adelanto, a charter city, and Main Street California, LLC, a California limited liability company, doing business as "High Desert Mavericks" (the "LLC").

WHEREAS, the Agreement generally provides, among other things, that the LLC is to pay one dollar (\$1.00) per year to the City as rent for *exclusive* use of the Facility ("Rent"); wherein there are approximately 3,500 seats, expandable to approximately 5,000 seats, where approximately 70 home games are played per year by High Desert Mavericks, and wherein there are additional home play-off, championship games and other special events conducted and promoted by the LLC at the Facility¹;

WHEREAS, the estimated fair rental value of a municipal baseball stadium, akin to the Facility ranges from \$1,200 to \$3,500 per use/game (see: Banner Island Ballpark, Stockton, CA; Chukchansi Park, Fresno; Thurman Field, Modesto, CA; Lake Elsinore Diamond Stadium, Lake Elsinore, CA; San Jose Municipal Stadium, San Jose, CA; and San Manuel Stadium, San Bernardino, CA.)²;

WHEREAS, the Agreement further provides, among other things, that the City is to pay for timely maintenance, repair and replacement of any all Structural Elements of

¹ City acknowledges that LLC has generated income from ticket sales, concession sales, and for the sale of merchandise at the Team Store. Further, City acknowledges that LLC has generated thousands of dollars in sponsorship and naming rights of the Facility.

² LLC has adopted a Special Event Pricing for all areas of the Facility with for-profit and non-profit rates.

the Facility; City is to expand the existing Team Store for Team to sell its merchandise within the Facility; City agrees to repaint and replace the carpet and flooring in the Team Office, Team Store and both home and visitors clubhouses; City shall be responsible for all landscaping inside and outside the Facility and for extermination, as needed; City shall provide and be responsible for all utility services to the Team at the Facility, which includes without limitation all electricity, twice weekly garbage pickup and trash removal, water, storm water, sewer, natural gas, and irrigation water; City shall be responsible for all improvements to the Facility required to ensure compliance with City, County and State fire prevention codes; City shall also be responsible for ensuring that the Facility remains in compliance with any and all National Association of Professional Baseball Leagues, Inc. ("NAPBL") rules and Professional Baseball Facility Standards; City shall maintain all risk property insurance on all building structures located on the Facility (collectively, "City Obligations").

WHEREAS, since August 2012 to current, the City estimates that it has expended approximately two million dollars (\$2,000,000.00) in City Obligations.

WHEREAS, the Agreement further provides that the City and the LLC shall each share "equally" all revenues generated at the Facility Parking Lots (see Section 6); further, that each shall share equally all revenues generated for Facility Conference Room rentals including the proceeds of any sale of Naming Rights to the Conference Room (see Section 7).

WHEREAS, as of this date, the LLC has not paid the City for any Facility Parking Lots or Facility Conference Room rentals generated at the Facility, and the LLC has refused to provide the City with a verified accounting of same;

WHEREAS, on or about August 22, 2012, or anytime thereafter, the City Council did **not** make a finding that the Agreement serves a public purpose.

WHEREAS, the City Council now wishes to make a finding that the Agreement does **not** serve a public purpose.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Adelanto, as follows:

Section 1: Each of the above recitals is true and correct.

Section 2: The City hereby finds that the Agreement provides a significant financial benefit and gain to the LLC and does not promote a valid, substantial public purpose within the authorized mission of the City; further, that it provides selective aggrandizement to a private, for profit entity (i.e., the LLC), at the expense of the citizens of the City; therefore, it is deemed a "gift of public funds";

Section 3: The City hereby finds that the Agreement serves no public purpose, as defined by applicable law, and hereby terminates the Agreement, *effective immediately*.

Section 4: This Resolution shall take effect immediately upon its passage.

PASSED, APPROVED AND ADOPTED this 13th day of January, 2016.

ATTEST:

Brenda Lopez
Deputy City Clerk, CMC

Rich Kerr, Mayor,
City of Adelanto

APPROVED AS TO FORM:

City Attorney

STATE OF CALIFORNIA)
COUNTY OF SAN BERNARDINO) ss
CITY OF ADELANTO)

I, Brenda Lopez, Deputy City Clerk of the City of Adelanto do hereby certify that the above and foregoing Resolution No. 16-02 was duly and regularly adopted at a Regular Meeting of the City Council on this 13th day of January 2016, by the following vote to wit:

AYES:

NOES:

ABSENT:

ABSTAIN:

IN WITNESS THEREOF, I hereunto set my hand and affix the official seal of the City of Adelanto, California, on the 13th day of January, 2016.

Brenda Lopez
Deputy City Clerk, CMC
