

**Subject: Invitation to Virtual Community-wide Meeting on Adelanto Cannabis Equity Program (May 30, 2023)**

Dear Residents of Adelanto,

The City would like to invite you to a virtual community-wide meeting on the development of the City's Cannabis Equity Program. The meeting will take place on **May 30, 2023, at 6pm** via Zoom.

As you may know, Adelanto has been at the forefront of the cannabis industry in California. Our City has developed a comprehensive framework for cannabis regulation and has established a thriving industry that provides significant economic benefits to our community. However, we recognize that there are still significant disparities in access to the benefits of the industry, particularly for those who have been disproportionately impacted by the War on Drugs.

To address this, the City, in collaboration SCI Consulting Group, has been working on drafting a Cannabis Equity Assessment that will inform the development of the City's Cannabis Equity Program. At this community-wide meeting, we will provide an update on the Cannabis Equity Assessment and seek your input and feedback. We want to hear your ideas and suggestions on how we can create a program that is truly equitable and responsive to the needs of our community.

We look forward to seeing you there and working together to create a more equitable and sustainable cannabis industry in Adelanto.
