

City Of Adelanto
Development Services Department

ENCROACHMENT PERMIT

INSTRUCTIONS TO APPLICANT

The applicant must complete the attached form as prescribed, and all of the following information must be attached before it can be accepted for filing and processing by the Engineering and Planning Departments.

- a) Application fee– Checks shall be made payable to City of Adelanto.
- b) Plot Plan – 1 copy of a plot plan or signed improvement plans, shall be drawn neatly and accurately to scale (not smaller than 1 inch equals 100 feet), and shall show the following data:
 1. All property boundaries and abutting streets;
 2. All existing and proposed buildings, structures, fences, walls, driveways, and parking areas showing number and location of parking spaces;
 3. All proposed buildings, structures, trees, fences, walls, driveways, parking areas and spaces;
 4. Proposed project footprint with setbacks and depths.

ADDITIONAL INFORMATION TO THE APPLICANT

1. City Code requires that every Encroachment into the City Right-of-way must have an Encroachment Permit and before Permits may be issued the Project must be reviewed by the Departments of Planning, and Engineering, for design standards and safety.
2. The applicant shall schedule a pre-construction meeting prior to beginning construction.
3. Applicant shall schedule inspections twenty four (24) hours in advance.

APPLICATION FOR ENCROACHMENT PERMIT
