Guidelines for xeriscape in Adelanto (low water use landscaping):

- Front yard must be landscaped
- If you are on a corner lot, the side yard facing the street must also be landscaped
- Use plants that do not require much watering and are native to the desert
- Use non-living groundcover such as rocks, gravel, decomposed granite, mulch, etc.
- No more than 50% of the yard should be paved
- No more than 20% of the yard should be grass
- Trees, shrubs, and plants should provide groundcover for at least 50% of the total landscaped area
- Please refer to the Adelanto Municipal Code, sections 17.60.030 and 17.15.040 for more information, available online at <http://www.ci.adelanto.ca.us/>
